Special Edition Newsletter
This newsletter is all about upcoming events. Nearly all of the ISU Extension and Outreach Crops Team events and upcoming private pesticide continuing education courses will be in person this winter. We are excited to see everyone again this year. Take a few moments to check out the list of events below, get them on your calendar, register if needed. With that said, plans are in place for season 2 of CropsTV and the Soil Management Summit has some virtual presentations. See you soon!

Events

November 10. Noon to 2 p.m. The Iowa Learning Farms. The Nature Conservancy and the Boone River Watershed are hosting an oxbow field day at 1905 110th St. LuVerne, Iowa. A complimentary meal will be served, however registrations are limited to 49 people. RSVP by November 5 to ilf@iastate.edu. More details.

November 16. 11:30 to 1:30. Interseeding Cover Crop Field Day at the ISU Northern Research Farm. This event is free and open to all, lunch is provided. Please RSVP by November 12 to ilf@iastate.edu More details.

November 18. 5-8 p.m. The Southfork Watershed Alliance will host their annual Water Quality Forum with a focus on strip-till/no-till. This event will be held at the Ellsworth Community College Renewable Fuels...
Center, located at 707 Ellsworth Ave, Iowa Falls. Speakers include Iowa Secretary of Agriculture, Mike Naig, and Dr. Jerry Hatfield (retired). A local panel of farmers will discuss their strip-till/no-till practices. A complimentary meal will be served. Please RSVP to [http://www.southforkwatershed.org/event-details/water-quality-forum-no-till-strip-till](http://www.southforkwatershed.org/event-details/water-quality-forum-no-till-strip-till)

November 19. 11-1. Soil Health Field Day hosted by Matt and Nancy Bormann. View fall cover crops and strip-tillage, see in-field soil health demonstrations by NRCS, check out farm equipment, and learn about other conservation projects in Kossuth County. Please RSVP by Friday November 12 by calling 515-295-5156 ext 3. Field day is located at 1307 130th Ave., Bode, IA.

December 1 and 2. Registration for the 32nd Annual Integrated Crop Management Conference is now open. New this year, your registration fee for ICM will include one subscription to season 2 of CropsTV which will be available after January 1. Returning this year will be the Women in Agriculture Lunch. All women attending the conference are invited to join their colleagues for this networking opportunity. The featured speaker will be Dr. Dawn Refsell, Field Sciences Leader for the Midwest with Corteva Agrisciences. CCA credits and commercial pesticide recertification is available for this event.

Here is a [link to my private pesticide applicator continuing education programs](https://mailchi.mp/ff975b0098ae/isu-nc-iowa-agronomy-connection-newsletter-vol-8-issue-5395585?e=[UNIQID]) for 2021-2022. Please contact your local county Extension office to determine if pre-registration is necessary.
Dec. 7 (Nevada) and Dec. 15 (Coralville). Also returning this year are the Ag Chemical Dealer Updates for 2021. CCA credits and commercial pesticide recertification is available through these events. This year we will be offering some hands-on demonstrations to sharpen your application skills for both pesticides and fertilizers. Please note the new location for the central Iowa event.

Dec. 14 and 15. The Soil Management Summit returns to Mankato, MN. As a member of the planning committee for this event, I invite you to join us in Mankato for all things related to soil management and soil health.
