

2023 Confinement Site Manure Applicator Certification Evaluation							
Iowa State University Extension and Outreach							
Responses from Workshops: 591	DVD	137	Total of all Responses Collected:			728	
Section 1   Please rate today's information	Excellent	Good	Fair	Poor	No Response		Total Responses
1. CNS Rules Update	320	388	9	1	10		728
Percentage	44%	53%	1%	0%	1%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
2. In-Season Manure Management: What, Why, How, and Challenges	342	362	19	0	5		728
Percentage	47%	50%	3%	0%	1%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
3. Land Application & Separation Distances	361	341	12	0	14		728
Percentage	50%	47%	2%	0%	2%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
4. Verifying Liquid Manure Hydraulic Distribution with Zoske's Precision Control Manifold	356	297	24	1	50		728
Percentage	49%	41%	3%	0%	7%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
5. Rules of an MMP	359	349	15	0	5		728
Percentage	49%	48%	2%	0%	1%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
6. DOT Rules of the Road and Inspections Disease Outbreak Preparedness	376	312	29	0	11		728
Percentage	49%	48%	2%	0%	1%		
	Excellent	Good	Fair	Poor	No Response		Total Responses
7. The Iowa Nitrogen Initiative: A vision for Future Nitrogen Fertilizer Science	319	346	24	2	37		728
Percentage	44%	48%	3%	0%	5%		
<b>Section 2   Overall evaluation:</b>							
	Agree	Undecided	Disagree	Does Not Apply	No Response		Total Responses
8. The information presented today was useful for my farm operation.	641	65	2	7	13		728
Percentage	88%	9%	0%	1%	2%		
<b>Section 3   Discussion</b>							
	Yes	No			No Response	NA	Total Responses
9. Because of last year's training, did you bump test your gas monitors before using them?	71	301			36	320	728
Percentage	10%	41%			5%	44%	
	Yes	No			No Response	NA	Total Responses
10. Because of training, you have a better understanding of the records needed in an MMP.	660	22			13	33	728
Percentage	91%	3%	0%	0%	2%	5%	
	Always	Likely	Not Likely		No Response	NA	Total Responses
11. Because of training, how likely will you do a pre-trip inspection before getting on the road?	227	379	44		26	52	728
Percentage	31%	52%	6%		4%	7%	
	Very Likely	Likely	Not Likely	Very Not Likely	No Response	NA	Total Responses
12. How likely will you consider in-season manure application on a portion of your fields?	63	150	293	145	22	55	728
Percentage	9%	21%	40%	20%	3%	8%
