

# Dairy

**Tuesday, July 28**

7:00 am-9:00 am

Dairy Vet Check & Entry, West Show Barn

10:00 am

Dairy Show, West Show Barn

Show supplies and equipment may be set-up Monday after 5:00 p.m. The Extension Office or Fair board will not be responsible for items left overnight.

## Housing

Animals may be housed in the barn area or outside. Please keep 6 feet or more between families. Exhibitors are responsible for bedding (only if needed) and clean-up of stall areas immediately following the show. We encourage you to take your animal waste home with you, otherwise please haul to the cement waste areas by the barns. Wash racks will be open.

## Vet Check and Unloading

Please stay in your vehicle until it is your turn to see the Veterinarian. Animals cannot be unloaded until they have been checked. Please pull forward to unload show supplies. Follow trailer parking instructions from volunteers.

## Physical Distancing

Keeping space between yourself and others reduces potential exposure. Whenever possible, remain at least six feet from others. Do not gather in groups, unless it is your immediate family unit. Use cloth face coverings when 6-foot physical distance is not possible to maintain. This does include in and out of the show ring.

## Handwashing and Hand Sanitizer

Wash your hands often with soap and water for at least 20 seconds, especially after spending time in a public place, blowing your nose, coughing, sneezing, or touching your face. If soap and water are not available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until dry. Avoid touching your eyes, nose, and mouth.

## Show Attendance

We are asking that only immediate family and necessary 4-H supporters (i.e. auction buyers, volunteers) attend this year. There will be either live or post-show broadcasts of the shows. The event is closed to the general public. Please help us keep our youth as safe as possible by encouraging others to stay home.
