2015 GENERAL RULES
JACKSON COUNTY 4-H & FFA

1. The rules & regulations of the Jackson County Youth Committee as set forth herein shall govern the eligibility of exhibits and exhibitors.

2. All members must be enrolled in their respective club by May 1 to exhibit at County Fair. All exhibitors must be enrolled in the project or program from which the exhibit comes.

3. Any currently enrolled 4-H/FFA member who has completed 4th grade through 12th grade (graduation of May/June, 2015) may exhibit at county fair.

4. Any 4-H or FFA exhibit (indoor or livestock) may be exhibited at only one County Fair.

5. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa.

6. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered as a 4-H exhibit, but still can enter as a FFA exhibit.

7. All 4-H & FFA members in the 4-H building during conference judging, host and hosting, and performing official duties MUST be in uniform. This also includes showing and selling at auction--livestock and pets. Exhibitors will be dropped one placing if not in uniform. The following uniform must be worn by all 4-H and FFA exhibitors: A 4-H/FFA t-shirt, solid white or green blouse/shirt with 4-H or FFA emblem. White or dark jeans, slacks or skirt--no shorts. Jeans must not be torn, tattered, or ripped. See specific dress code in each division. Hard soled shoes must be worn when exhibiting animals with hooves.

8. 4-H’ers applying for county project awards must submit support material to the CEO by September 15, 2015.

9. There will be no beer, alcohol or illegal drugs allowed on the Jackson County fairground site, except in designated areas. This applies to youth and adults. If found, all alcohol will be emptied and further action will be determined by the fair board and/or Youth Committee. Conduct Rules: All exhibitors and program participants are expected to be cooperative, courteous and good 4-H representatives while participating in 4-H events. Use or possession of alcoholic beverages or drugs will result in parent/guardian and legal authorities being notified, if appropriate.

10. INSURANCE: 4-H participants and leaders who are enrolled in the county 4hOnline system are covered by Health and Accident Insurance. A report of all illness and accidents must be made to the 4-H/Extension staff within 24 hours after the accident or illness. All claims must be processed through the Jackson County Extension Office. Your report must be filed with the insurance company as soon as possible and not more than 30 days after the accident.

The 4-H & Extension staff along with the Jackson County Fair Association will endeavor to protect participants from injury. The
Jackson County Extension and Jackson County Fair Association will not be held responsible for any incident, damage or loss. All animals listed on entry forms must be entered for exhibition strictly in accordance with the rules and regulations of the Iowa 4-H program and of the International Association of Fairs and Expositions contained in the Premium Book by which all exhibitors are governed. Exhibitors are responsible to maintain insurance to cover any loss to persons or property, which may occur as a result of said competition.

The 4-H & Extension staff along with the Jackson County Fair Association will use diligence to insure the safety of animals or articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc. 4-H exhibits at the Fair are entered and displayed at the risk of the exhibitor. The Jackson County 4-H Youth Development Program, in cooperation with the Jackson County Fair, accepts exhibits and will exercise due care to protect them. However, the 4-H & Extension staff along with the Jackson County Fair Association cannot accept responsibility for loss or damage due to the conditions imposed by fairgoers, the arrangement of the building in which displays are housed and the great number of exhibits.

11. All deadlines are final. Each 4-H’er will be granted one strike for missed deadlines throughout their 4-H career. Examples include, but are not limited to: livestock ID’s, pre-entry day entries, clothing event registrations. After one strike is used, and a 4-H’er misses another deadline, 4-H’er will not be able to exhibit in that project area for that specific year. For State Fair eligibility, State Fair rules and deadlines supersede. This rule is subject to review after the 2015 year.

12. Any livestock animal who loses an official 4-H tag must contact the CEO within five days. A committee member will re-tag the animal.

13. All livestock must be housed in their respective barn at all times during the fair.

14. 4-H’ers requesting early release of animals to attend exhibition in other shows must file Request to Release Livestock form by Pre-Entry day. Only the animals going to be exhibited at other shows will be released at their assigned time. All requests are subject to approval by the Youth Committee.

15. All stalls must be cleaned by 8:00 pm Sunday, Aug. 2, 2015 or the offending club will be assessed a $100.00 fine per animal area.

16. 4-H’ers 13 years of age and over will receive a wristband at a reduced cost of $6.00 in place of Fair Fun Card. Wristband may be purchased at the CEO from Pre-Entry Day to the first day of the fair. Wristband must be worn tightly on wrist or ankle. FFA members may purchase wristband at the CEO for $12.00 during that time.

17. Back numbers will be at Boyer Hall office. Exhibitor MUST provide signed vet slip before given back number. Mkt. Beef, Sheep, Goat & Swine exhibitors must also provide the “Iowa 4-H Animal Care & Management Disclosure Statement” at this time if selling an animal.
**4-H/FFA Fair Protest/Grievance Rules**

**Preamble:** Frequently questions arise relating to issues such as exhibitor or exhibit qualification, eligibility or compliance with the Fair rules and regulations. The following rules and procedures shall govern any such issue or question.

1. Any question as to whether or not an entry has been timely made shall be resolved by CEO staff, as appropriate. This shall include all livestock ID’s and Fair entries of whatever nature that by the Fair rules require Pre-Entry or identification.

2. Any question as to whether or not an entry, exhibit or exhibitor has or has not complied with the Fair rules and regulations (other than timely entry—see Par.#1), shall be presented to the Division Superintendent or Co-Superintendents of the Division from which the question arises.
   a. The Superintendent and Committee members present shall, as soon as possible, resolve and/or answer the question and provide a ruling on the question.
   b. In all cases where the resolution of the question depends upon interpretation of the existing Fair rule or regulation, or where there is no applicable rule or regulation addressing the question, the ruling of the Superintendent shall be final.
   c. In any case where resolution of the question is clearly covered by an existing Fair rule or regulation, the Superintendent shall follow such rule or regulation in making a ruling.
   d. In the event the affected exhibitor believes a rule or regulation has not been followed by the Superintendent in making a ruling, such ruling may be appealed to the Jackson County Youth Committee, whose ruling thereon shall be final. If the question arises during the Fair, the Youth Committee shall rule upon such appeal as soon as a quorum of such Committee can reasonably be assembled, or at the next scheduled meeting of the Committee. Any appeal to the Youth Committee shall be in writing, and must be presented not later than 30 days after the last day of the Fair. The Youth Committee shall rule on such appeal at the next scheduled Committee meeting and such ruling shall be final.

*Revised Oct. 1999*

**Iowa Youth Code of Ethics**

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions. Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of volatile drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or
Drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its premium book. A signed code of ethics must be on file at the CEO by May 15, 2015 in order to exhibit at the Jackson County Fair.
