Attach this form to your class 10320 Photography or class 10325 Digital Photography exhibit

Name ___________________________________________ County ________________________________

4-H Club ____________________________________________________________

Grade ___________ Years in project __________________ Date Photo taken ____________________

Where was photo taken? ____________________________________________________________________

1. What did you plan to learn or do? What was your photography goal?

2. What did you do? Explain what you did so the judge easily understands it. What steps did you take?

3. Tell us about your camera. Did you use: ☐ digital camera ☐ phone/tablet ☐ film camera
   Brand and model ________________________________________________________________
   Did you use the lens that came with the camera/phone to take this picture? ☐ Yes ☐ No
   If no, what lens did you use? _______________________________________________________
   What changes did you make to the original photo to create the final exhibit? List any changes and explain your decisions. (Example: cropping, color enhancement, size of photo, removal of red eye, etc.)
   Please include (if possible) original print (no smaller than 3 ½ x 5”), which shows the photo before any changes were made. Explain why you selected the finished photo print size.

   Who designed and selected the matting or mounting?
   ________________________________________________________________

   Who matted or mounted the photo?
   ________________________________________________________________

4. What were the most important things you learned?

5. What other information about your photo process would you like to share?
