Community & State Opportunities

Winner’s Circle Scholarships

College-bound Iowa youth active in 4-H and/or FFA livestock and agricultural projects and current undergraduate students may apply for scholarships available from the Iowa Foundation for Agricultural Advancement (IFAA).

The scholarships are available to freshmen entering any Iowa two or four-year, post-secondary institution this fall and current undergraduates attending Iowa State University. Applicants must major in animal science or a curriculum in agriculture or human sciences that is related to the agriculture industry.

Winners will be announced during the 2016 Iowa State Fair annual 4-H/FFA Sale of Champions on Saturday, August 20th, an event sponsored by IFAA. Winner’s Circle scholarship funds come from a percentage of Sale of Champions proceeds as well as Winner’s Circle Club donations. Click below for more information on the 2016 IFAA Winner’s Circle Scholarships and the application form:

Iowa 4-H Youth Conference
Dive to New Depths
June 28-30

Every June, almost 1000 teenagers converge on the campus of Iowa State University for 3 days full of speakers, workshops, mixers, dances, a banquet, and community service activities. If you’ve completed 8th grade, you’re eligible to attend. You don’t even have to be in 4-H to attend this conference! You will get to experience campus life, and meet new people from across the state! If you have a specific interest in animal science, you might want to look into becoming part of the ROUND-UP track! There will also be a special track devoted to agronomy, called CSI: Crops. If you’d like to be part of the team to capture the Conference in photos, join the Iowa 4-H Youth Camera Corps, and bring your camera.

Iowa 4-H Youth Conference 2016 Registration will open in mid-March. You can register between March and June 1 for the regular registration cost of $175. You will be reimbursed for half of your registration fee… so it’s actually only $87.50 to attend!! Between June 2 and June 10 the rate goes up to $200. All registration closes on June 10. Check out financial aid applications, due April 25 to the Iowa 4-H Foundation. Keep checking the website http://www.extension.iastate.edu/4h/iowa4hyouthconference for updates!

The Jackson/Clinton County Dairy Board is looking for youth to run for Diary Royalty. Age requirements for the royalty positions are:

- Dairy Princess: girls age 16-21
- Dairy Ambassador: boys age 16-21
- Little Miss Dairy Maid: girl age 5-8
- Little Sir Dairyman: boy age 5-8

If you are interested please contact Jessica Hingtgen by April 2nd at (563) 542-3418. The 2016 Dairy Banquet is April 9th.

FOR CHARITY

The Youth Philanthropy Board in Jackson County (PBnJ) would like to extend an invitation to all high school students to put together a team and play volleyball for your favorite Jackson County charity! The registration is $30 per team of up to 10 players. Registration forms can be found in your school office and rules can be found on our Facebook page.

Friday
March 11
1:00 p.m. approx. start
Bellevue High School

Anyone can come and watch! Donations are welcome but not required.

Proceeds from registration fees will go to a charity of the winning teams’ choice!
Support Iowa 4-H with New License Plate!

A new specialty license plate will soon be available throughout Iowa for passenger vehicles, trucks and trailers. The "Iowa Ag Tag" license plate recognizes the important role that agriculture plays in our state’s economy, and proceeds from its sale will equally benefit three great youth foundations: Iowa 4-H Foundation, Iowa FFA Foundation, and the Iowa Agriculture Literacy Foundation. See the design and pre-order your own standard ($35) or personalized ($60) plate now at www.IowaAgTag.org.

Dubuque Area Family STEM Festival

Families throughout Northeast Iowa are invited to attend the Dubuque Area Family STEM Festival on Saturday, April 16, 2016 from 10:00 a.m. – 2:00 p.m. at the Alumni Campus Center, Loras College. The festival is free and open to the public. Attendees can view the night sky from a star lab, fly a flight simulator, conduct amazing science experiments, and much more! Third through eighth grade students receive unique opportunities to explore the wonders of science, technology, engineering and mathematics (STEM) through hands-on experiments and activities, though all are welcome.
