You need to type your e-mail address (if you don't remember what address you used, contact the CEO) and type your password from last year, or select "I forgot my password." After you retrieve your password, you can log in and change it, then get to work getting enrolled! If you have any questions, please contact Katie. If you do not have computer access please contact the CEO and we can make arrangements. The re-enrollment deadline is November 1st, 2017.

County Awards

All Jackson County 4-H'ers are eligible to receive county awards. 4-H'ers in grades 4-6 are eligible for the Junior Record Keeping Award, Outstanding First Year Member, and Junior Merit. Intermediate and Senior 4-H'ers may receive Merit awards, submitted by club leaders.

County Project Awards

4-H'ers in grades 7-12 may apply for County Project awards. Applications are available at the CEO or on the Jackson County webpage and need to have support material attached to the application. Deadline for submitting county project award is **September 15** to the CEO.

What's a County Project Award? County Project Awards are another way for 4-H'ers to be recognized for the hard work they put in to certain project areas. In the application 4-H'ers more closely describe the skills they learn through their 4-H experience and why it's important to them. In the support material they can include other artifacts, newspaper articles, pictures, ribbons, etc. to help support their application. Awards are given at the Recognition Banquet.

Club Officer Books and Record Books

Club officer books are due to the CEO by September 15. These include the Treasurer, Secretary, and Historian books. It is mandatory for all club's Treasurer books to be turned in for audit. Member record books are due to the club leaders, check with them for a due date. Record book forms are available at the CEO and are also posted on our website at www.extension.iastate.edu/jackson/4h
