Iowa 4-H Sheep Project Regulations Pertaining to State and Interstate Shows

Age of Exhibitors

1. To be eligible for a state or interstate show including Iowa State Fair and Ak-Sar-Ben, a 4-H'er must have completed fifth grade prior to the event.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the **calendar** year of high school graduation. **Note:** In the event that a 4-H'er has dropped out of high school, the 4-H'er is eligible to exhibit livestock only through the calendar year that his/her class graduated.

Maximum

Exhibitors may validate a maximum of 15 market sheep, a maximum of 10 purebred breeding ewes, and/or a maximum of 10 commercial breeding ewes for exhibit purposes at the Iowa State Fair.

Ownership

All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'er member's name or show a logical family relationship.

Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says, "No Sale."

Identification

All market sheep must be tagged with the official state 4-H ear tag and EITHER be noseprinted as well as have a hair DNA sample taken OR have a retinal image collected at a verification site by May 15. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All market sheep animals must be in the possession of the 4-H'er and weighed at state established verification sites by May 15. Verification forms must be completed at the verification site.
