THANK YOU TO THOSE WHO MADE THE FAIR HAPPEN!

4-H Leaders, Families, Fairboard, & Superintendents, THANK YOU for all you do for our 4-H & FFA kids & the entire community to make the fair happen! You work tirelessly, not only during fair season but All. Year. Round! A lot of you take the week off from your paying jobs, only to work harder than you would have had you gone to work! It is appreciated more than you probably know, and the fairgrounds look amazing! Bryan & Deb Branderhorst, THANK YOU for all the time you put in to make the Feed Shed a success for our 4-H Clubs! 4-H’ers you were amazing as always, and your work ethic is apparent not just during the fair but throughout the entire year. If a fairboard member, superintendent, 4-H leader, or anyone else helped you during the week be sure to thank them. To the parents, grandparents, and families who kept it positive and for the kids, THANK YOU! You truly get what it's all about! For those of you who showed some acts of kindness (random or otherwise), THANK YOU I’m not sure how, but this always happens at just the right time.

4-H HALL of FAME

If you are at the Iowa State Fair on Sunday, August 22nd, stop by the 4-H building at 1:30 for the 4-H Hall of Fame induction ceremony. Jasper County’s inductee this year is Jill Titus…

Jill is in her 29th year of leading the Sherman Sunbeams 4-H Club. She began as a leader in 1992 when her children were in 4-H. Currently her grandchildren are Sherman Sunbeam members. Jill has always been one to give back to the community and has organized countless annual community service projects for this club. Her club often advances to the state fair with their Share the Fun act & this year is no exception. They will be performing their patriotic routine to “God Bless the USA,” 8/13 @ the 5:00 show. The support and encouragement Jill shows to her 4-H members exceeds well beyond their 4-H years, impacting their career paths and writing exceptional letters of reference for them, often times forming life long bonds. Jill is as dedicated as they come to the 4-H program & to her club members.
