To: Prospective Iowa State University Extension Volunteers

Thank you for your interest in becoming an ISU Extension volunteer. Enclosed is a packet of information and forms we would like you to complete and return to the Jasper County Office. These background checks are for the protection of the children in the Jasper County 4-H and Youth program. We require all volunteers to go through the process so we can provide the safest possible environment for our youth.

There are two Non-Law Enforcement Record Check Requests and Jasper County Sheriff Requests. You need to sign one for the release of information with your current name and one for a maiden name if it applies. If you have been married more than once, we need a form for that name also.

We are confident that you will be an asset to the Extension program. We will try to move the process along as quickly as possible, but it does take time. We will send you a letter notifying you that the Extension Council has appointed you as a volunteer. Until that time, please do not be alone with 4-H children.

Sincerely,

Stacey Wilson
County Youth Coordinator
