

4-H/FFA PREMIUM AUCTION

Monday, July 1 at 6:00 PM—Show Arena

1. No animals will be sold nor will they be on the grounds during the auction.
2. All 4-H / FFA Members MUST wear their official Jefferson County 4-H/FFA t-shirt in the Sale Ring.
3. The bidding will not be based on the animal, but instead on the exhibitor. The final bid is the amount that the exhibitor will receive.
4. Any 4-H or FFA member (not Clover Kid) that exhibits any animal at the current Jefferson County Fair, may enter the auction.
5. You do not need to sell an animal at the market animal bid after the show to be eligible to sell in the premium auction. (i.e. You can take all your animals home after the fair and still be eligible for the premium auction.)
6. Exhibitors are encouraged to be creative. You may create a poster about your animal, carry your trophy and/or ribbons with you in the ring, or otherwise create a showcase of your project.
7. In order to participate, Exhibitor MUST be present during the Auction in the ring.
8. Each Exhibitor can enter the Premium Auction 1 time, regardless of the number of animal species they exhibit during fair. All awards an exhibitor receives for all animal species will be recognized at the same time when that exhibitor enters the ring.
9. Exhibitors are required to sign up for the Premium Auction online during the Fair Entry process, due June 7.

The Jefferson County Fair Board, the Jefferson County Extension Office and the 4-H/FFA Sale Committee would like to thank our buyers for their continued support of our youth!
