

Static Exhibit Judging Information

MONDAY, JUNE 24, 2024

8:30 AM – 4:00 PM

You will register for a specific check-in time when you sign up projects in Fair Entry

This applies to Clover Kids, 4-H, and FFA members.

ALL projects need to be entered on Fair Entry by JUNE 7TH @ 4:30 PM. If there's any chance that a project will come, PLEASE enter it. It's easier to delete a project on check-in day than add a project.

<https://jeffersoncountyfair.fairentry.com>

- **Clover Kids:** Will check-in in the back room of the Extension Office. We will ask only Clover Kids beyond the check-in table. Parents, please wait in the waiting area. Teen Council members and Static Volunteers will help carry projects over to the Activity Building at the completion of showcasing projects.
- **4-H / FFA Members:**
 - Starting June 12, project tags will be available for pick up at the Extension Office or can be mailed to you upon request. This allows you to attach tags to projects before judging day.
 - All paperwork (i.e goal sheets) must be complete BEFORE Exhibitor checks in
 - Check-in window is located at the Cambridge Building at the Jefferson County Fairgrounds. Please arrive at your scheduled check-in time.
 - The window clerks will give you your entry tags per project and supplies to hang tags on the project and Exhibit form, if tags were not already picked up or Exhibit forms were not already attached. A space will be provided for you to do this if needed.
 - If you have large exhibits, please let the window clerk know. You may be able to place them directly into the Activities Building and have the project judged there.
 - Once all projects are tagged, exhibitors will proceed to the **Waiting Area**, where they will receive a number and then wait until their number has been announced to proceed with judging. Parents will be asked to wait outside or in the waiting area.
 - Judges will have specific areas to judge, and you may be visiting with multiple judges depending on the number of projects you exhibit and the project areas. After visiting with each judge, exhibitors will take projects to the specified table where volunteers will attach ribbons and run projects to Activities Building to be displayed. Exhibits selected for State Fair Consideration will be set aside.
 - After all your exhibits have been evaluated, return your Judging Sheet with ribbon placements to the Check-out Table. You will receive your premium money after the fair.
 - Teen Council members and Static Volunteers will be available throughout the day to answer questions and to help carry over projects to the Activities Building.

Clothing Interviews

Clothing Interviews will be held on June 13th from 4-6 PM. We cannot generate a schedule for interviewing until after the June 7th Fair Entry Deadline. The schedule will be emailed to families on the morning of June 10th. If you foresee any scheduling conflicts June 13th and will need to request a specific time between 4-6 PM, please let the Extension Office know right away. These interviews are for 4-H only, not Clover Kids.
