

SPEAKER'S BUREAU - JOHNSON COUNTY MASTER GARDENERS

Project Leaders Jackie Wellborn, Co-chair -Chris Sedrel

JCMG's Speaker's Bureau covers a wide variety of gardening topics specific to our location/region. Interested groups get in touch to inquire about volunteers speaking to their groups. Sometimes they have a specific topic in mind and other times we give them our brochure of possible topics.

This year we have had fewer requests and fewer volunteers since everything we do has to be done outside.

Our current volunteers are:

Dorothy Fowles

Carolyn and Angela Murphy

Linda Schreiber

Alice Linhart

Melissa Serenda

Chris Sedrel

Janice Hining

There are other volunteers on my list but they didn't have a chance to volunteer.

Usually, the Speaker's Bureau is involved in a number of activities but with the restrictions of the Pandemic there were many engagements we weren't able to do.

Since we have such a wide variety of topics people tend to learn a lot from our group.

We are hoping next spring our requests increase.

This year's project.

The needs are few but we would like more marketing to the public. We have tried several things but more are needed.

The possibility of having more face-to-face classes at the Extension Office.
