GENERAL RULES

1. This is a fun no-cost community service activity. It's a great way to recycle aluminum to benefit others! All clubs (4-H & Clover Kid) are encouraged to participate.
2. Tabs from beverages, pet food cans, soup and other products can be collected!
3. Place clean tabs in zip lock bags. We cannot accept tabs mixed with other scrap.
4. Bring clean bagged tabs to the fair and place in your club's box at Montgomery Hall by Monday of the fair. It is suggested that you write your clubs initials or name on each bag.
5. All participating clubs will receive a certificate at Wednesday Fair Awards Night. The club with the highest weight of tabs collected will win the Traveling Trophy.
6. Tabs are delivered to the Ronald McDonald House after fair. Tabs are sold to raise funds to support the Ronald McDonald House.
