2021 Fair Debrief Survey

Iowa State University Extension Office & Outreach - Jones County is asking for feedback from the 2021 Jones County Fair. We want to give Jones County Exhibitors, 4-H families, committee members, and fair attendees the best experience while at the Fair.

The survey can be found on the Jones County 4-H Facebook page. Please fill out the Fair Debrief survey and share your thoughts, comments, and feedback regarding the 4-H youth development programs from the 2021 Jones County Fair.

Thank you for taking the time to help us plan for a great 2022 Jones County Fair.

Enroll today for Clover Kids & 4-H

Clover Kids is a fun 4-H program specifically designed for children in kindergarten through third grade. Clover Kids fosters positive relationships and builds valuable life skills through a variety of hands-on activities.

4-H is a community of young people across America who are learning leadership, citizenship and life skills offered through a variety of settings. 4-H gives kids and teens opportunities to experience life skills and to practice them in a safe environment with caring adults.

Enroll at https://v2.4honline.com.

4-H Week Recognition
4-H Week was celebrated the 3rd to 9th of October across the nation. During 4-H Week, Jones County Extension celebrated by sharing 4-H trivia questions, encouraged members to wear green and white, shared famous 4-H alumni stories, and a pumpkin decorating contest.

4-H Leader Re-enrollment
Jones County 4-H club leaders and Clover Kids Leaders are required to enroll and re-enroll as a new or existing leader each year.

Please enroll or re-enroll on 4-H Online. Club Leader Login steps are listed in a separate e-mail attachment. Please follow the Club Leader login steps to re-enroll and enroll.

If you have any questions, please contact the Jones County Extension Office.

Extension Store
Iowa State University Extension Office & Outreach offers free curriculum, programming, and activity resources for Iowa to utilize.

We encourage 4-H leaders to utilize the information by selecting and printing the activity or curriculum prior to club meetings and activities.

The following curriculum categories are found on the store:
- Agriculture & Environment
- Families & Health
- Economic Development
- Yard & Garden
- 4-H

Visit the store at https://store.extension.iastate.edu.

STEAM Activity Kits Available
Jones County Extension Office has many STEAM, hands-on, program kits available for 4-H clubs and Clover Kid clubs to utilize during club meetings.

The program kits can be checked out from the Jones County Extension Office throughout the year.

For more information, please call or stop in the Jones County Extension Office.

Benson’s Ted Talk created positive conversations during the Annual Leaders Training in Monticello. Therefore, Jones County Extension Office encourages others to share this video in club meetings, schools, and at home.

Search YouTube for the video titled TEDxTC - Peter Benson - Sparks: How Youth Thrive. - Bing video.

Sparks: How Youth Thrive by Peter Benson
Peter Benson presents his passion on the power of acknowledging kids through their personal “spark” and shares how to help kids find their own spark. This is a must watch Ted Talk that shares passion, drive, and the importance of how futures are defined at a young age.
Jones County 4-H Club and Clover Kids Information

Share Your Stories With Jones County Extension Office & Outreach

Throughout the year, Jones County Clover Kids and 4-H club members are busy volunteering, giving back to the community, working hard on fair projects, and so much more!

Therefore, Jones County Extension Office & Outreach is excited to highlight each club involvement and activities on the Jones County 4-H Facebook page and in the monthly newsletter. Please share your stories and involvement by emailing Alex Monaghan at amonagha@iastate.edu.

Email the following information to be shared:
- Club name
- Activity date and location
- Activity description
- Club names and/or number of participants
- Photo of club in action

Jones County Food Bank

Is your 4-H Club interested in giving back to Jones County by serving the hungry?

Jones County Food Bank is currently experiencing a reduced food supply and would like to partner with Jones County 4-H clubs to keep the food bank stocked through the holidays and winter months.

If you and your group are interested in participating in a food drive, contact Sherri Hunt at 319-551-3402 or sherrihunt0617@gmail.com.

Iowa 4-H Activities in Iowa

Iowa Legislative Insider

Iowa 4-H and the Iowa Extension Council Association are excited to host the Iowa Legislative Insider event in Des Moines on February 9th!

This Iowa Legislative Insider is an opportunity for county extension council members and 4-H youth in grades 8-12 to get an inside look at the legislative process. Participants will learn about the life of a lobbyist page, hear from legislators, explore the role a lobbyist plays in crafting legislation and participate in interactive workshops surrounding civil discourse, youth-adult partnerships, and more.

Registration will open on November 15th in 4HOnline. Register by emailing Alex Monaghan at amonagha@iastate.edu.

4-H Camera Corps

Iowa 4-H Camera Corps is a program to support 4-H photographers that plan on participating in the photography project area at county fairs. Many Camera Corps participants go on to represent their counties at the state fair!

While learning you will make beautiful, powerful, and creative photographs of communities from across the state of Iowa. It is a valuable opportunity to practice your photography skills and receive public recognition and juror feedback on your creations monthly.

Each month, a photography theme is provided with a different focus. Technical tips and suggestions are provided to help you practice and create the most successful photographs for that theme.

To learn more about 4-H Camera Corps, search Iowa 4-H Camera Corps | 4-H Youth Development (iastate.edu).

Iowa Horse Quest

Iowa Horse Quest is a virtual program designed for senior 4-H youth, 4-H leaders, volunteers, and horse owners.

Iowa Horse Quest Objectives
- Understand the essential concepts of equine behavior and how they relate to the care and welfare of horses.
- Assess the causes, clinical signs, treatment, and prevention of common diseases in horses
- Evaluate equine internal parasites and options for prevention and treatment.
- Recognize how a horse’s conformation affects gaits, balance, quality, and structural correctness
- Understand the essential concepts of feeding horses and how nutrition relates to the care and welfare of horses.

Schedule and time:
Oct. 28, Nov. 4, Nov. 11, Nov. 18 6:00PM—8:00 PM

This institution is an equal opportunity provider. For the full non-discrimination statement or accommodation inquiries, go to www.extension.iastate.edu/diversity/ext. ADV.20.04N August 2020.
