4-H ANIMAL PROJECT FINANCIAL RECORDS

Name _____ Year _____

Grade _____

Project Area (circle only one):

Beef Cattle	Dog	Poultry
Bucket Bottle Calf	Goat	Rabbit
Cat	Horse & Pony	Sheep
Dairy Cattle	Other Animal	Swine

These pages are designed as minimum financial records that can be used by a member. If more thorough records are desired, contact your club leader or the Extension Office for assistance. Record all expenses or costs whether they are cash or non-cash.

Definitions and Instructions:

Beginning Inventory- These animals were owned prior to the start of the current project year. If the animals were a recorded project previously, the Beginning Inventory MUST equal the Ending Inventory value from the previous year.

Animal Purchases- These animals were purchased during the current project year. An individual animal CANNOT be included in the Beginning Inventory and the Animal Purchases during the same year.

Ending Inventory- These animals are still part of the project at the end of the current project year. The Ending Inventory MUST equal the Beginning Inventory of the next project year.

Surviving offspring born to projects during the current year (such as baby pigs, calves, lambs, etc.) ARE NOT included in the "Expenses", but should show up in the Ending Inventory or Animals Sold.

Animal Inventory/Scope

	How many	Notes and Descriptions (if needed)
Beginning Inventory	(1)	
Animals Purchased	(2)	
Animals Born	(3)	
Animals Sold	(4)	
Animals Died	(5)	
Ending Inventory	(6)	

(To check inventory numbers: The sum of lines 1 + 2 + 3 should equal the sum of lines 4 + 5 + 6)
