Financial Assistance Request – Jones County 4-H

October 2013 – The level of state funding for Extension, including 4-H has declined and the funding at the federal level has remained the same despite the increased cost of delivering the program. Because of state budget cuts, the 4-H budget has lost money over the past years. Iowa 4-H has established that each 4-H member will currently be charged $30 for program development fee that will be directed to the state level to offset costs of 4-H programming. In the 2010-2011 year, the Jones Co. 4-H Youth Committee has set the Jones County’s development fee at $30 per member. County scholarships of $10 are also being offered to first year members. Therefore, Jones County 4-H will collect $30 per member ($20 per first year member) with all monies going directly to the state office.

If you wish to apply for financial assistance, please complete this form along with your enrollment form and return to:

County Youth Coordinator
Jones County Extension
800 North Maple Street, Ste 2 or Your local club leader
PO Box 28
Monticello IA 52310
