Membership may continue until the completion of the year of their high school graduation. Membership year is September 1 through August 31. An exhibitor must be a member who has carried their project during the entire period according to project entry rules. FFA members are eligible to exhibit at county fair one additional year after high school. AGE GROUPS FOR ALL PROJECTS ARE:

JUNIOR: Grades 4, 5, 6 • INTERMEDIATE: Grades 7, 8
SENIOR: Grades 9, 10, 11, 12

Exhibitors must choose to exhibit under 4-H or FFA for each project area (examples of project areas: beef, cat, swine, photography, home improvement, etc.) and are limited to number of entries after each class number and name.

ENROLLMENT—Enrollment must be made through 4hOnline or with FFA Advisors, deadline for re-enrolling members is December 1, and for new members is May 15. Members that do not re-enroll by December 1st will not be allowed to exhibit for that year’s fair.

ELIGIBILITY—All fair entries (including FFA Members) must be submitted through the FairEntry system at http://greatjonescountyfair.fairentry.com by July 1st. All paper identification forms (examples: Off Farm Housing, Horse Leasing, Cat and Other Animal, Bucket/Bottle, Clothing, Communication, and Working Exhibit Reports) must be filed with the Extension office by the designated dates. A grace period for postal delivery will be acceptable. Failure to comply with this rule will result in a member being denied the opportunity to exhibit at the fair. Anyone not complying with all of the regulations of their project or who otherwise have not completed their work will not be permitted to compete. An individual project CANNOT be weighed in, identified, or exhibited as a 4-H/FFA project in more than one county or one official 4-H/FFA County Fair. This does not apply to open class or open multi-county junior shows/competition. No member or exhibited as a 4-H/FFA project in more than one county or one official 4-H/FFA County Fair. No member will be denied the opportunity to exhibit their project due to the fault of a leader or advisor.

REPORTS—Anyone not complying with all of the regulations of their project or who otherwise have not completed their work will not be permitted to compete.

SUPERVISION—Supervision of 4-H and FFA project work will be under the jurisdiction of the County 4-H Youth Committee and the Ag Ed/FFA instructors with the cooperation of the County Extension Director, County Youth Coordinator. Any questions or decisions about exhibits, regulations or reports will be made by this group.

EXHIBITS—Superintendents will be in charge of locating and housing all exhibits and will locate them best suited to their conditions.

RECORD BOOKS—Completed 4-H and/or Ag Ed/FFA record books are to be turned in to the respective 4-H leaders or Ag Ed instructors. 4-H record books must be submitted to respective 4-H club leaders for project award and All Around Youth Exhibitor award evaluation prior to the specified submission deadline.

EXHIBITOR DRESS CODE: Any plain white shirt or blouse, or any official 4-H or FFA shirt is REQUIRED for ALL exhibitors. No personal advertising on clothing such as company or farm names will be permitted. State Fair exhibitor T-shirts will be allowed. Wear clean clothing. All exhibitors MUST wear pants that are at least ankle-length or appropriate-length skirts and closed-toe shoes. Exhibitors WILL NOT be allowed to wear hats or caps (excluding those in the Horse and Pony Department) while exhibiting at the county fair. (See specific Dress Code instructions as provided in individual divisions.) Failure to abide by the “EXHIBITOR DRESS CODE” will result in forfeiture of exhibitor’s premium for that project.

4-H & FFA Premiums

The Fair Association provides financial support for project premiums in 4-H & FFA Livestock; Family, Arts, Science and Technology; and Other 4-H Opportunities Departments; as well as ribbons and judging expenses. Prize money will be based on the unit system unless otherwise stated for specific classes. Placings in various classes have been assigned unit values. Cash value of the units will be assigned according to money available. Premium checks will be distributed through the Extension Office and club leaders. All entries will be awarded premiums on the basis of purple, blue, red and white ribbons.

All-Around Youth Exhibitor

As a part of the Great Jones County Fair, special recognition will be given to the top 4-H/FFA youth exhibitors. The winners will be selected on the basis of a weighted system that will take into consideration all projects exhibited in the 4-H/FFA Livestock, Family and Consumer Sciences; Science, Mechanics and Arts; and Other 4-H Opportunities Departments. Record books must be submitted by designated due date.

4-H Blue Ribbon Fund

The Jones County 4-H Blue Ribbon Fund was initiated in 2006 with the idea of generating a new alternative to swine ribbon auction by funding a simple premium bonus for the 4-H/FFA swine champions. Premium bonuses are now awarded to the exhibitors of the designated swine and dairy project areas. The Blue Ribbon Fund also supported exhibitor scholarships and other 4-H youth development activities as determined by the committee.

Iowa Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from participating in and exhibiting at this and future activities and exhibitions including the Iowa State Fair and other county, state or regional exhibitions, as well as other disciplinary action.

In addition to the “Iowa Youth Code of Ethics”, Jones County 4-H and the Great Jones County Fair also has rules and regulations which they impose on the county level including those designated in the Livestock Project Requirements (L-2), Iowa 4-H publication (4-H 202), and county fair book. Supervisors and 4-H and FFA members and exhibitors at the county level in regards to the Code of Ethics as well as the rules and regulations mentioned above and below, will be under the jurisdiction of the County 4-H Youth Committee (including FFA Advisors, Extension Education Director, County Youth Coordinator and 4-H Program Assistant) as delegated by the County Fair Board of Directors.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, it’s integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

14. Jones County 4-H will abide by any disciplinary action sanctioned against me by other counties or levels of the organizations and apply that action as appropriate to my participation in Jones County.

I agree to conduct myself in an honest, ethical and upstanding manner, and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its premium book.
Livestock & Animal Department

GENERAL RULES:

Exhibits and awards will be made in accordance with the regulations under which these projects are conducted as stated in the 4-H 202 Animal Identification, Weighing, and Exhibiting Requirements for County, State and Interstate Shows Publication (https://store.extension.iastate.edu/product/194, Revised December 2020), Jones County Livestock Project Requirements (L-2) and this fair book.

1. Only members of Jones County 4-H Clubs or FFA chapters whose livestock projects were properly enrolled/entered/identified are eligible to show. FFA Chapters include Anamosa, Cascade, Midland, Monticello, North Cedar.

2. Supervision of 4-H and FFA project work is under the jurisdiction of the Jones County Extension Council, County 4-H Youth Committee and the Ag Ed/FFA Instructors with the cooperation of the County Extension Director and County Youth Coordinator. Any questions or decisions about exhibits, regulations or reports will be handled by this group; Extension Council has the right to make the final decision.

3. All 4-H/FFA members exhibiting beef cattle, bucket/bottle calves, dairy cattle, goats (dairy/meat), poultry, rabbits, sheep or swine (all food animals) MUST complete YQCA (Youth for the Quality Care of Animals) certification for their respective age group (www.yqca.org).

4. Members MUST have properly enrolled in the project AND have submitted proper animal identification to the Extension Office through 4hOnline 2.0 (FFA members use paper forms) by May 15.

5. Poultry and Rabbits born after May 15 have special identification deadline of July 1st.

6. All fair entries must be properly submitted through the FairEntry system by July 1 (http://greatjonescountyfair.fairentry.com). No late ID Reports, late fair entries, or additions/corrections to fair entries will be accepted or allowed to be exhibited, therefore, late fees will not be assessed. A grace period for postal delivery may be acceptable for mailed report forms.

7. Official report forms may be secured from 4-H club leaders, Ag Ed Instructors, or the Jones County Extension Website.

8. Identification numbers (registration, ear tag, tattoo, etc.) as well as birthdates MUST be provided if requested on forms (calfhood vaccination identification tags will qualify if they are individually numbered, but a calfhood vaccination tattoo DOES NOT qualify). Proper identification eartags, tattoos, ear notches, etc. MUST be in place before arriving at the fair. (No fresh tattoos or ear notches are allowed).

9. Any animal that has been properly identified in 4hOnline 2.0 or on the member’s original project identification report forms (FFA) and meets all eligibility requirements will be eligible for exhibition provided the proper entry form was submitted.

10. Ineligible/extra animals may not be brought to the fair.

11. A pre-determined fee will be charged for all eartags/wing bands used on animals at the starting weigh-ins (beef, meat goats, poultry, sheep and swine).

12. For Jones County Fair eligibility, livestock projects must be cared for by the 4-H/FFA member enrolled in the project. If a project is at a place other than the member’s family operation, it must be reported using the “Animals Housed Off Home Farm Request” form by May 15. Approval is up to the jurisdiction of the group identified in rule #2 above.

13. Animal(s) may be owned in partnership and conducted as projects by more than one member of the same family. However, only one member will be allowed to identify the shared animal in 4hOnline 2.0 or an official identification report form (FFA).

14. A livestock project/unit/animal can only be exhibited in one individual class (excluding championship or showmanship) unless otherwise stated. Exceptions would be for bucket/bottle, dairy heifers, dogs, horses, rabbits, and sheep.

15. An individual project cannot be exhibited as a 4-H/FFA project in more than one official 4-H/FFA county fair. However, a project may be exhibited in open junior shows in more than one county.

16. Each 4-H or FFA member must exhibit their own livestock project unless they have more than one animal in the same class or their absence is excused by the 4-H Youth Committee. A second animal in the same class must be exhibited by a Jones County 4-H or FFA member wearing a matching exhibitor number printed in red. To be an excused absence, a Substitute Show Person Request Form must be submitted to the Extension Office by July 1st. The substitute show person must be a Jones County 4-H/FFA member wearing the original show person exhibitor number in red. If the form is not submitted or final approval is not granted, the animals will NOT be allowed to be exhibited. Exemptions will be made for injury, illness, or special circumstances. “Inability to handle your animal” is not a suitable reason for a substitute show person. In such a case, the animal will not be allowed to be exhibited at all.

17. All Livestock must be stalled or penned in areas assigned. Animals are not to return to the trailers until released. See Herdsmanship section on page 64 for all other rules and recommendations for stalling, penning and equipment usage.

18. Only such signs, placed cards, decorations, ribbons, etc. as provided by the fair shall be used. Special club signs may be used as approved by the 4-H Youth Committee.

19. Exhibitors will be allowed to receive, and book, orders for animals, but no deliveries will be made until the close of the fair. Notice must be given in writing to the Extension Office and livestock area superintendents prior to animal leaving fairgrounds. Any animal that leaves fairgrounds without prior approval will forfeit premiums for this animal.

20. Members must have exhibited their livestock/animal projects at the fair to qualify for eligibility in the Market Animal Auction.

21. Any animal removed from the fairgrounds before scheduled release time will lose premium money unless they have a written consent from the 4-H Youth Committee.

22. There will be no early releases unless prior approval from the Extension Office. Early Release Request Forms must be submitted by July 1st. If prior approval was not received premiums will be forfeited. Depending on whether there could be weather exceptions; exhibitors will be notified of these at given time.

23. Any artificial means of removing or remedying physical defects of conformation in animals exhibited will be considered as fraud and deception. No unnatural means of providing an animal feed, water or other fluid (i.e. stomach pump, IV) will be allowed. All animals giving evidence of such treatment will be disqualified from the show (see Code of Ethics).

24. First and second place winners in each individual class are eligible to compete for Championships and Reserve Championships, provided they received a purple or blue award ribbon.

25. No persons other than the clerk, ring masters and show officials will be allowed in the show ring during the time of judging.

26. For additional information on Iowa 4-H requirements see publication 4-H 202 Animal Identification, Weighing, and Exhibiting Requirements for County, State and Interstate Shows (https://store.extension.iastate.edu/product/194, Revised December 2020).

27. All protests against the “eligibility of an exhibit or the award by the judge” must be in writing and filed with the superintendent of the division from which the complaint arises within one hour after the occasion from which such complaint occurred. Such protest must be stated plainly the cause of the complaint and be accompanied with a $50 cash deposit. Such complaint will receive due consideration by show officials and judges. The cash deposit will be forfeited if the protest is not sustained.

28. No appeal of, or appeal from, an award based upon a statement that the judge overlooked an animal or article will be considered by the officials.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4H/FFA Fair area must meet Iowa Animal and Livestock Impoundment requirements. Each show must have an official veterinarian. Quarantined animals or animals from quarantined herds cannot be exhibited. Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

SWINE
All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US shield are official identification tags.

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

Swine exhibition requirements. “Swine exhibition” means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days prior to the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date of the planned exhibition. Swine sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

Swine exhibition report required. The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678), another official Scrapie tag, or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

POULTRY AND BIRDS
All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION I. B) Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

However, “Market Classes” of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. “Market Classes” of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

DOGS, CATS
All dogs and cats exhibited must have a current rabies vaccination certificate.

FARM DEER

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

“Cervidae” means all animals belonging to the cervidae family, and “CWD susceptible cervidae” means whitetail deer, blacktail deer, mule deer, red deer, elk and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification. All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

“All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

The following is prohibited: personalized logo, embroidery (excluding shirt brand logo), zippers, sheen or lace fabric, embellishments, bling of any kind, including but not limited to sequins, rhinestones, chains, etc. Shirts must be tucked in. A necktie, kerchief or bolo tie are permitted, but not required. Sleeveless shirts or blouses, turtleneck sweaters, sweater vests, etc. are not permitted. Dark blue jeans without holes must be worn. A belt is required. Western boots must be worn. (Fashion heels are prohibited.) Spurs are permissible. Spurs must be dull and the rowels free-moving.
11. Protective Headgear Policy—All 4-H and FFA exhibitors must wear properly fitting protective headgear passing or surpassing current applicable ASTM/SEI (American Society for Testing and Materials/Safety Equipment Institute) standards with harness secured while riding anywhere on the competition grounds. Harness must be secured and properly fitted. NO HATS, SCARVES, ETC., ARE TO BE WORN UNDER THE HELMET. It is the responsibility of the rider, parent, or guardian to see that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is in place. No helmet will result in disqualification. Jones County and Iowa State University Extension make no representation or warranty, expressed or implied, about any protective headgear, and caution riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all unforeseeable injuries.
12. Artificial hairpieces will be allowed in tails. No body hair may be colored. Coloring is only allowed on hooves.
13. Horse exhibitors competing at the county fair MUST HAVE attended at least one Extension-offered horse clinic with their project prior to their initial exhibition at the county fair each year. 14. Show Class Entries MUST BE COMPLETED by July 1 through the FairEntry system (at the same time as the Entry Form) to be eligible to exhibit at the fair. Health papers must be written and completed by a DVM 30 days or less before show date July 25, 2021.
15. If classes have a small amount of entries, classes will be combined for showing but still judged and placed within their division.
16. Each horse is eligible for only one Western-Style Pleasure class; for example, if a horse enters Ranch Pleasure, it cannot also enter Western Pleasure.
17. For timed event classes, exhibitors may enter a maximum of two pre-identified animals per class.
18. Champion Timed Event will be determined by accumulated time for all timed classes (poles, barrels and flags). For exhibitors with multiple entries per class, the exhibitor/animal pair with the best accumulated time will be used in champion selection; any other exhibitor/animal pair(s) accumulated time(s) will be discarded.
19. Champion Western Exhibitor/Champion Ranch Exhibitor will be determined by accumulated points from their appropriate walk-trot, horsemanship, and pleasure class.
