MISSION STATEMENT
4-H EMPOWERS YOUTH TO REACH THEIR FULL POTENTIAL WORKING AND LEARNING IN PARTNERSHIP WITH CARING ADULTS
On September 1st, Iowa 4-H will have a NEW 4-H Online program to enroll into 4-H for the 2020-21 4-H/Clover Kids year. Our office will be attending a training at the end of August to learn the new program and to be able to help our families with enrolling into 4-H/Clover Kids beginning September 1st.

If you belonged to a club last year that had limited spaces for members please contact the Extension Office or your leader letting them know you wish to continue to be a club member for the upcoming year or if you choose to decide to attend a different club so the available spot can be offered to another 4-H member.

Recordkeeping is an ongoing process that does not end when the 4-H year ends. Youth are encouraged to select from a variety of alternatives to meet their individual recordkeeping needs and learning styles.

Each record book needs to have the following:

- Cover Sheet
- Yearly 4-H Summary
- Project Records
- Livestock Records
- Member Self-Evaluation
