COVID-19 Guidelines

The 2020 Lee County 4-H/FFA Junior Show will follow the most recent guidelines set forth in Governor Reynold’s Proclamation, the CDC, the Iowa Department of Public Health and the Iowa Department of Agriculture and Land Stewardship. Specific activities we would like to highlight in the proclamation are:

1. Ensure that families have the ability to maintain at least a 6 ft. distance from other families.
2. Please increase hand washing. We will have hand sanitizer available.
3. We highly encourage those who are 65+ or have underlying health conditions to stay home.
4. We also encourage the use of masks, especially when social distancing may be difficult.
5. We will be placing signage around to remind people to social distance.
6. We would like to remind those who are feeling ill to stay home.

We would appreciate it if everyone would take time to read the guidelines set forth so we can have a safe show. We will do our best to help remind everyone of these guidelines throughout each show. If we all do our part to make sure, these guidelines are followed then we will be able to keep our 4-H/FFA families and volunteers safe and healthy.

Please note that the 2020 Lee County 4-H/FFA Junior Show is not open to the public.

This decision has been made to help ensure social distancing guidelines and precautions are met to help reduce the spread of COVID-19. We thank you for respecting this decision and look forward to providing a LIVESTREAM option for the community to watch the shows from the comfort of their own homes.

Objectives for the County Fair
TO PROVIDE AN OPPORTUNITY FOR 4-H’ERS TO

- Continue life skill development in the areas of self-concept, decision-making, communication, learning to learn, and coping with change, citizenship and leadership.
- Measure their progress and skills against individual goals and accepted standards.
- Participate in a variety of program opportunities beyond the county level.
- Gain personal satisfaction, meet new people, share ideas and learn to work cooperatively.

TO PROVIDE AN OPPORTUNITY FOR THE PUBLIC TO

- View the accomplishments of local 4-H’ers.
- Learn new ideas from a variety of 4-H projects and experiences.
- Support youth in the community in which we live.

The Lee County 4-H/FFA Junior Show is a youth event. Safety is our top concern for all exhibitors, exhibits, volunteers, viewers and the public. Exhibitors will be cooperative, courteous, and positive representatives of 4-H. They will use appropriate language and behavior to reflect the 4-H standards. All 4-H’ers and families are forbidden from bringing in or consuming alcoholic beverages or tobacco on the fairgrounds. Smoking or the consumption of alcoholic beverages will not be permitted at this event. Violations of these rules may result in the loss of premiums, awards, honors and exhibition privileges. Further action may be taken if necessary. All decisions will be made by the Fair Partnership Committee.
1. Only exhibitors, immediate family members (mother, father, sister or brother) and approved volunteers will be allowed on the fairgrounds. All shows will be Livestreamed for public to watch from the comfort of their own home.

2. No food or drinks will be provide on the fairgrounds. You will be allowed to bring your own, but must keep items at your trailer. Please refrain from sharing food between families and other 4-H members. Please remember no alcoholic beverages are permitted at this event.

3. Masks will be optional for families and exhibitors. This is a best practice, but not required.

4. When in the show ring please refrain from shaking other exhibitors and judges hands. This will help keep us safe and within the social distancing guidelines.

5. All exhibitors will be under the direction of the Department Superintendent/Committee. The Lee County Fair Board, Lee County Extension Office, and 4-H leaders/volunteers will use diligence to ensure the safety of all animals or articles entered for exhibition, after their arrival and placement, but under no circumstances will they be responsible for any loss, damage, or injury.

6. Classes and competitions are open to projects and exhibits owned by youth enrolled in Lee County 4-H Clubs or Lee County FFA Chapters or by special arrangement.

7. Exhibitors must be in good standing with their recognized club or chapter. Non-residents of the county are eligible provided they belong to a Lee County club or chapter. The last year members are eligible to show is the summer following high school graduation.

8. 4-H'ers who have completed 4th grade through 12th grade (or that equivalent) in 2020 are eligible to exhibit at the Lee County 4-H/FFA Junior Show.

10. It is intended that all State Fair rules and County Fair rules be compatible. However, in no case will the State Fair rules override or supersede the County Fair rules at the County Fair. We have tried to make all rules in these shows simple, fair and correct. However, we realize that in making rules, misunderstandings can occur. We, therefore, reserve the Project/Species Superintendent/Committees the right to interpret rules where any questions are raised. THEIR DECISIONS ARE FINAL.

11. Livestock and Static (Art Hall) projects will be entered in FairEntry.com by June 25. Entries must be on time to make pen and stall assignments, stall cards and entry lists. This year all market animal (market sheep, market goats, market beef and market swine) divisions will remain open in FairEntry.com until Monday, July 6 to allow for exhibitors to declare weights for the show. We encourage exhibitors to enter their market animals by the June 25th deadline and then go back into FairEntry.com to enter their declared weights later. This will help the Extension Office to be able to prepare for the shows. If you have questions regarding this, please feel free to contact Whitney at 319-835-5116 or weisinger@iastate.edu.

12. If an exhibitor or family is not comfortable exhibiting in person at the 2020 Lee County 4-H/FFA Junior Shows, but wants to participate, please contact the Livestock Coordinator at the Lee County Extension Office at 319-835-5116.

**IOWA YOUTH CODE OF ETHICS**

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book.
