Volunteer Dismissal Committee recommendation- on 9/13/2021 the Linn County Agricultural Extension Council voted to dismiss 3 volunteer 4-H leaders. Dismissed volunteers were provided an opportunity for appeal with an impartial committee appointed by the Council Chair. This was the time for the appointed appeal committee to present their recommendation to the Council.

Committee Recommendation- After the review of the written materials and interviews the Appeals Committee supports and recommended to the Linn County Ag Extension Council that the Council uphold the 4-H club volunteer dismissal of Jennifer Dunn, James Jordan, and Kylie Mysak.

The Appeals Committee recommends these dismissed club leaders not volunteer in a 4-H Club capacity for a period of at least 2 years. After the 2-year period, the persons named would need to apply to serve in any 4-H club capacity.

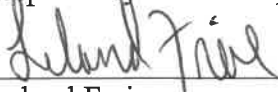

The Appeals Committee supports allowing the dismissed 4-H club leaders to volunteer in other 4-H volunteer capacities outside of any club leadership experience, for example county fair livestock committees if they so choose. The same 4-H Code of Conduct would apply.
