Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 photographs, two entries into the photography class must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries) or proceeding to check-out. Once you submit your entries, you cannot go back in and edit them – The Extension Office will have to go in and edit.

<p>1. Click Add an Entry beside the correct exhibitor (if more than one has been created).</p>	<div style="background-color: #2196F3; color: white; padding: 5px;"> <p>2018 Linn County Fair Yoder -</p> </div> <div style="display: flex; justify-content: space-between; margin-top: 5px;"> <div style="background-color: #4CAF50; color: white; padding: 5px 10px; border-radius: 3px;">Exhibitors</div> <div style="background-color: #4CAF50; color: white; padding: 5px 10px; border-radius: 3px;">Entries</div> <div style="background-color: #9E9E9E; color: white; padding: 5px 10px; border-radius: 3px;">Payment</div> <div style="font-weight: bold; color: #2196F3;">\$0.00</div> </div> <p style="font-size: small; margin-top: 10px;">There are 0 entries belonging to 1 exhibitor in this invoice.</p> <div style="display: flex; justify-content: space-between; margin-top: 10px;"> <div style="border: 1px solid #ccc; padding: 5px; width: 40%;"> + Register another Exhibitor </div> <div style="background-color: #4CAF50; color: white; padding: 5px 10px; border-radius: 3px; width: 40%;"> + Continue to Payment </div> </div> <div style="margin-top: 10px;"> <div style="display: flex; align-items: center; justify-content: space-between;"> <div style="text-align: center;">  <p style="font-size: small;">Yoder, Test 1 0 Entries #Online</p> </div> <div style="background-color: #4CAF50; color: white; padding: 5px 10px; border-radius: 3px; width: 100px; text-align: center;"> + Add an Entry </div> </div> <div style="text-align: right; margin-top: 10px;">  </div> </div>
