Rules (Note: All General Rules and rules for Animal Division apply)

1. A dog must be owned by the 4-H/FFA member or in partnership with a family member. A member may exhibit a dog they do not own if they have cared for and trained it and it is the only dog the member exhibits.

2. A dog may be identified by only one member unless it is the only dog owned by the family. A member may only show one dog per obedience class, unless permission is given by the dog committee. A member is only allowed to enter and show in one showmanship class, other than Best in Show. Members may show more than one dog in agility and rally.

3. Any dog that shows aggressive behavior towards any dog or human or cannot be kept under control, will be asked to leave immediately.

4. Proof of rabies, distemper, and parvo vaccinations must be presented to a committee by June 15 if not attending the county sponsored training classes. Kennel Cough (Bordetella), Corona and Lepto vaccinations are encouraged but not required. All dogs on show site or at training classes must show proof of vaccination or they will be asked to leave. All dogs attending county sponsored training classes must provide proof of current vaccination prior to attending any class.

5. Members must attend the required number of lessons to exhibit: 7 of 10 classes offered, or show proof of outside class participation. Outside classes will only be accepted if taken between January 1st and June 15th of the current year. Outside class verification forms due no later than June 15th at the Extension Office. Please note: Exhibitors must attend the required number of classes in each event- obedience, agility, and showmanship. Failure to attend will result in ineligibility to show at fair.

6. Once an exhibitor and dog have received a blue ribbon in a level, the exhibitor is required to progress to the next level. Exception: If the 4-H dog obedience instructor feels the dog is not ready for classes in the next level, the member may remain at the same level for lessons and showing for the next year. Members are strongly encouraged to remain in a level for no more than two years. If a dog achieves an AKC or UKC title or equivalent during the current 4-H/FFA year, the dog will be allowed to show in its current level, but must move up the following year. For purposes of these rules, AKC titles will be used as the standard.

15. Dogs should be brought to the grounds between 8:00am and 8:30am Thursday June 28th.

16. Exhibitor conduct: Exhibitors shall not strike dogs nor use any other unnecessarily harsh physical means of disciplining dogs.

Committee members will be available to hold dogs as needed or to assist members before they enter the ring.

18. Failure to comply with these rules will result in not being allowed to show your dog. NO EXCEPTIONS! The decision of the dog project committee and/or the show superintendent will be final.
