Group Presentations

In order to keep parents, caregivers, educators and community members abreast of current trends in the field of parent education, the PEC coordinates and delivers presentations in the community on a wide variety of topics related to parenting practices and healthy family development.

The PEC staff has a variety of topics readily available for presentation. Specific requests for customized community education sessions will be considered on a case by case basis. To schedule a presentation please contact the Parent Education Consortium.

Community Education Topics for Presentations

- Parenting Styles
- Parenting Strategies
- Parenting Effectively with Your Partner
- Strong Families: Dads Make A Difference
