

Animal Arrival

All animals must have a Vet inspection. There are 2 ways for you to accomplish this requirement.

1. Have your animal inspected by the Vet at your home and bring the certificate of inspection with you to the fair. (This will cost you whatever your vet charges.) With this certificate you may bring animals to the fair at your convenience.

(Note the ** below.)

2. Bring your animal to the fair **during the following times** and the inspection will be done free by a Vet on the Fairgrounds.

Monday -6:00pm-8:00pm

Tuesday -6:00am-9:00am

**animals may not arrive prior to 2:00pm Monday July 22nd
