## POULTRY BROILER PROJECT

Here is a short-term livestock  
project for fair. Broiler projects are  
also especially suitable for those  
with limited space. Raise chickens  
at home for broiler meat as a  
means of producing high quality,  
nutritious chicken meat!

*LOUISA COUNTY EXTENSION*

**POULTRY BROILER PROJECT**

## POULTRY BROILER PROJECT

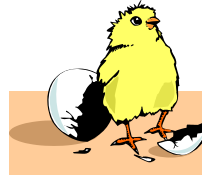

Any 4-H member enrolled in Louisa County can purchase a minimum of 15 broilers for \$17.70 from the Louisa County Extension office. More birds may be purchased if desired.

- \* Youth are required to bring three broilers plus one alternate to the county fair.
- \* The project will be evaluated 50% on live standards and 50% on broiler records which includes an interview during fair.

Record forms will be distributed at chick pick-up day and are due at the poultry check-in during fair.

**Deadline for ordering is  
April 27th**

## DELIVERY

**Chicks will be delivered the week of June 4th. Exhibitors need to plan on picking up their chicks at the Extension Office in Wapello.**

Remember to bring something to transport them home in such as a small box.

## FAIR ENTRY

**July 1** at [louisa.fairentry.com](http://louisa.fairentry.com)
