To be announced

---

1) General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department.

4) All dogs must have proof of immunization for Parvovirus and Distemper submitted to the superintendents prior to fair. Any dog without proof of immunization will not show at the county fair. It is preferred that proof of immunization be provided prior to participating in project workouts, but absolutely must be provided prior to the county fair.

5) Participants must attend a minimum of 4 project workouts to be eligible to show at the county fair.

6) EQUIPMENT: All dogs must be leashed or crated while waiting for class to be called. Dog owners will provide their own water pan and food. The use of choke chains and buckle collars in obedience and show leads are to be used while showing. No prong or pinch collars, gentle leaders or harnesses will be used in the show rings at any time.

7) No sedative drug use allowed. No pinch collars or muzzles will be allowed on dog projects at any time; including, but not limited to project work outs or shows.

8) Dogs will return home immediately after judging.

9) Dogs must be on leash while on fairgrounds.

10) Dogs must not be taken in barns or near livestock.

14) Any bitch in season or nursing cannot be shown at the County Fair.

15) **Any dog that bites another dog during the dog show or workouts will be dismissed from the project area permanently for safety reasons.**

16) Exhibitor and dog experience determine class level. State Fair classes may vary from County Fair classes. A qualifying score is achieved when an exhibitor earns 170 points (out of 200 points) or more and achieves 50% of the points or better for each exercise in his/her class. When an exhibitor achieves this standard, he/she must advance to the next class with the exception of Preferred Novice B, Graduate Novice and Open. However, an exhibitor may advance to the next level without a qualifying score (see class description). An exhibitor who does not achieve a qualifying score may remain in the same class for the following year; the only exception to this is for Beginners Novice A exhibitors who must advance to Beginners Novice B the next year.

17) **This is NOT an AKC sanctioned dog show.** AKC rules have been used as much as possible. It is recommended that youth attend an AKC show or obtain a copy of their rules prior to exhibiting at the Iowa State Fair. This will assist exhibitors in knowing and understanding some of the expectations of a dog show. In accordance with AKC guidelines, baiting is not allowed. Any baiting will result in a severe penalty.

**OBEEDIENCE:**

HORSES
Judging - Sunday, July 21 - 8:30 AM
Superintendent – Tacy Vogel, Trenton Jeanes, Ryan Sponsler

It is the responsibility of the 4H, FFA member and their family to be familiar with and follow the rules set forth in the Lucas County Fair Book.

1) General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department.
2) Horses must be identified, with photographs, in 4honline by May 15 of the current year. Photos are required for identification.
3) Entries in this department are open to exhibitors enrolled in the horse project.
4) In order to exhibit, all exhibitors must attend three 4-H horse project workout meetings for the entirety of the workout. Workouts are held prior to the fair. You must not just attend the workout, but participate with your horse. If participating in only halter classes, you need to attend only two workouts.
   A. Appropriate attire to participate in workout sessions: It is important that you are wearing appropriate clothes for the public at horse workouts. For example, jeans or long trousers, western boots or shoes with heels.
B. Must have helmet to be on horse.

5) Horse projects will arrive at the fairgrounds prior to the horse show and be released immediately following the final class. Horses shown in halter only will be released at the break between halter and performance classes.

6) The horse department superintendents/extension council and the judge have the authority and must dismiss from the ring any entry that is lame, not good body condition, or injured according to the state 4-H rule book or not in sufficient control for the safety of the handler or other exhibitors.

7) Class listing shown is not necessarily the show order and the Show Officials reserve the right to change or adjust the show order as needs dictate.

8) The classes in this department will be judged based on the scoring procedures listed in the 4-H publication “A Guide for 4-H Equine Shows in Iowa”.

9) Lucas County Fair Horse Show will follow the rules and guidelines of the “4-H Rules and Regulations for Equine Shows in Iowa”. It is the responsibility of the project member and/or family to be familiar and know these rules.

10) No stallions are permitted.

11) Yearlings shall have been foaled between January 1 and December 31 of the previous year.

12) Two-Year-Olds shall have been foaled between January 1 and December 31, 2017.

13) Halter horses must be owned by the 4-H member and cannot be leased. Proof of ownership may be requested at check in.

14) It is the responsibility of the owner to designate the type of the Horse and/or Pony. PONIES are any equine under 14.1 hands. A HORSE is any equine 14.1 hands and over (14.1 hands equals 57 inches). Ponies that are shoed will have ½” deducted from height. POA height cards will be accepted. EXCEPTION: If you have Horse breed registration papers, you are allowed to classify the animal as a horse. Example – a Quarter Horse who is 14.0 hands and is registered with AQHA, the equine can be classified as a horse. Registration papers must be provided at check-in time.

15) All exhibitors in halter and showmanship are required to wear a western hat or approved helmet.

16) All 4-H youth participating in any riding classes, or workouts, must wear American Society of Testing Materials (ASTM) and Safety Engineering Institute (SEI) approved headgear with chinstrap and properly fitted harness while mounted and riding, including warm up. Every time-Every Ride. No caps, hats or scarves will be allowed to be worn under the helmet. Lucas County Fair and Iowa State University make no representation or warranty, express or implied, about any protective headgear and caution riders that death or serious injury may result despite earing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all unforeseen injuries. Exhibitors are responsible for providing their own helmets.

17) English attire: ASTM/SEI approved helmets fastened with chinstraps are required at all times while mounted. Clothing must be clean, neat and appropriate for the hunter classes. Riders must wear coat, boots and breeches. Clean shirts with stock and pin or rat catcher and choker preferred. The coat should be any tweed or Melton (conservative wash jackets in season) acceptable for hunting. Breeches should be of traditional shades of buff, gray, rust, beige or canary (jodhpur included), and high English boots or jodhpur boots should be worn. Spurs of the unraveled type, gloves, crops and bats are optional. The 4-H/FFA armband or chevon is mandatory and the armband MUST be worn on the upper left arm.

18) Western attire: Clothing must be neat and clean. Riders shall wear ASTM/SEI approved helmets and boots. A solid white or colored, button or snap front, long-sleeved, collared shirt is required. The following is prohibited: personalized logo, embroidery (excluding shirt brand logo), zippers, sheer or lace fabric, embellishments, bling of any kind, including but not limited to sequins, rhinestones, chains, etc. Shirts must be tucked in. A necktie, kerchief or bolo tie are permitted, but not required. Sleeveless shirts or blouses, turtleneck sweaters, sweater vests, etc. are not permitted. Pants must be blue jeans and a belt under the loops is required. The 4-H/FFA armband or chevron is mandatory and the armband MUST be worn on the upper left arm. Hair must be neat and securely fastened if long, so as not to cover the rider’s number.

19) Exhibitors may enter as many classes as they wish. However, premium will be paid on only 5 classes. No premium will be awarded on Showmanship classes.

20) Exhibitors showing in Class 430 or Class 431 (Pony Pleasure) are not eligible to show the same pony in Class 433 or Class 434 (Light Horse Pleasure).

21) Horses can be identified by more than one 4-H member (immediate sibling or stepsibling only), but cannot be identified as 4-H under one sibling and FFA under another. A horse can only be ridden/shown once per class.

22) Only 4-H/FFA exhibitors can warm-up or ride 4-H horses before, during and after the 4-H show. Parents, club leaders, or trainers will not be allowed to warm-up or ride the exhibit horse during workouts or show day.

23) Horses must remain on the southwest side of the south drive.

24) The Lucas County Fair Association and the Lucas County Extension Service make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risks and as no helmet can protect against all foreseeable injuries.

25) The decision of the judge is final. Not all horses and ponies can win, so the judge’s decision, on whatever it may be should be accepted in the spirit of sportsmanship & 4-H.
26) At all times, every horse should be treated in a humane, respectful, dignified and compassionate manner. The Henneke Body Condition Score will be used as the method to determine body condition of the horse. The body condition of horses or degree of fat cover of horses is a good indicator of their general health.
