Bucket/Bottle Calf Management Records

Complete and return to Lucas County Extension office by July 23, 2020, 4:30 pm.

Member Name: ________________________________________________ 
Club: _______________________________ Grade Completed: ______

1) Explain why you chose this project and what your goal was for it. (What did you learn?)
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2) Describe where and how you got your calf/calves and why you chose your source.
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3) Describe the facilities where you housed your calf. (Pen size, location, water/feeder, etc…)
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

FEED

4) Describe the feeding program you followed for the time periods listed below. Include types of feed, the amount fed per day, method of feeding (bottle, bucket, etc...) and any other details about your feeding program.

A) First 3-4 days you had your calf:
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
B) Next 3-4 weeks:

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

C) After you had the calf for a month:

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

HEALTH

5) Did your calf have any health problems? If yes, describe what they were and what you did to treat them.

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

6) What did you do to prevent health problems?

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

7) What other management practices have you followed to help your calf be healthy and grow?

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

OTHER

8) What was the biggest problem you had with your calf and what did you do to solve it?

_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
9) How old was your calf when you broke it to lead? Tell us some of the methods you used to do this.
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

10) What were the most important things you learned through this project as you worked towards your goal?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

11) How do you think the things you’ve learned from this project will help you in the future? Do you have any plans or ideas for the future based on what you’ve learned?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

12) What would you do differently if you were to enroll in this project another year?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

13) What have you enjoyed about the bucket-bottle calf project?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

14) What do you plan to do with your calf after this project is complete (after fair)?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
