LYON 4-H/FFA BROILER PROJECT RECORD

PART 1 – GENERAL INFORMATION SUMMARY

Date Project Started _____

Number of broilers at start _____ (A) Value _____ (B) Age _____

Number of broilers that died (C) _____

Number of broilers at end (D) _____ (E) Value _____

Date project ended _____

% mortality (C divided by A x 100) _____ **Goal is less than 10%

Breed _____

Method of feeding _____
(Be specific – mash feed, free choice, restricted feeding, etc.)

PART 2 – EXPENSES

A. FEED

Kind of Grain	Total Pounds	Price Per 100 lbs.	Total Cost
Mash			
Supplement			
Other (include grit, electrolytes, etc.)			
Total			

B. OTHER EXPENSES

Bedding	_____
Vaccines	_____
Processing – cost per bird	_____
Total processing	_____
Equipment – see below	_____
Interest – see below	_____
Other, specify: _____	_____
Total	(H) _____

EQUIPMENT – Estimate the number of times equipment will be used for production purposes and divide cost by that number. Example: A \$30.00 feeder will be used for six different batches of broilers. 30 divided by 6= \$5.00 worth of equipment expenses.

INTEREST - Determine interest from this formula: Amount borrowed x % interest x number of days borrowed divided by 365. Example: You borrow \$80.00 from your parents at 12% interest for 90 days. The interest would be \$80.00 x .12 x 90 divided by 365 = \$2.37.

Part 3 – Production and Financial Summary

Average weight per broiler	(I)	_____
Total pounds meat produced (D x I)	(J)	_____
Number of broilers sold	(K)	_____
Value of broiler sold	(L)	_____
Number of broiler used at home	(M)	_____
Value of broiler used at home	(N)	_____
Number of broilers given to sponsor	(O)	_____
Value of broilers given to sponsor	(P)	_____
Total income from project (L + N + P)	(Q)	_____
Total expenses (B + G + H)	(R)	_____
NET RETURN (Q – R)	(S)	_____

Feed Efficiency

Pounds of feed fed to get one pound gain (F divide J)	(T)	_____
Feed cost per pound gain (G divide J)		_____
Total cost per pound gain (R divide J)	(X)	_____
Total cost per broiler (R divide D)	(Y)	_____
Net return or profit per broiler (Q divide D minus Y)		_____

2024 BROILER PROJECT BARN SHEET –

To be hung in the barn where chickens are housed to keep track of daily checks on the chickens in these areas:
 general health, dead, medicine given, cleaning, time checked, etc...
