LYON YOUTH EVENTS are OPEN to EVERYONE.

Please note, our events are open to everyone. Youth do NOT have to be 4-H members to attend; but if you want to join 4-H, we would love to have you! Youth can join a 4-H club from 4th through 12th grade. In 4-H, you can do all kinds of fun activities like build a rocket, design clothes, learn about computers and technology, help save the environment and more! Many of our EVENT topics stem from 4-H project areas.

You name it, you can do it in 4-H, and better yet, you can get a lot of help from adult volunteers—mentors who can teach you and help you learn. To get started and/or learn more, contact the ISU Extension and Outreach office in Lyon County.

QUESTIONS?  We are here to help.
