**No computer? No problem.**

Visit your local ISU Extension and Outreach office for registration and medical forms.

- ⇒ **Registration for these events ends one week prior to the event date. Each event has a minimum number of 5 participants required.**
- ⇒ All payments must be made online. If you would rather pay by check or cash, please call (712-472-2576) or visit our office.

*"The fees will be used to offset direct expenses for this event - 4-H Youth Development, County Extension Program."*

## Something for EVERYONE!

### **LYON YOUTH EVENTS are *OPEN* to EVERYONE.**

Please note, our events are open to everyone. Youth do **NOT** have to be 4-H members to attend; *but if you want to join 4-H, we would love to have you!* Youth can join a 4-H club from 4th through 12th grade. In 4-H, you can do all kinds of fun activities like build a rocket, design clothes, learn about computers and technology, help save the environment and more! Many of our event topics stem from 4-H project areas.

You name it, you can do it in 4-H, and better yet, you can get a lot of help from adult volunteers—mentors who can teach you and help you learn. To get started and/or learn more, contact the ISU Extension and Outreach office in Lyon County.
