Please watch the mail for a formal post card for the meeting.

## 4-H Volunteer Resources

### Volunteer Resources Tips & Tools:

June is here and many 4-Her's are finalizing their hard work on static exhibits for county fairs. As volunteers you can help guide youth to resources that will assist them in this process, as well as help inform you, as you help youth prepare for the exhibit judging experience!

Check out a NEW Vibrant Club Series resource "Presenting to an Exhibit Judge". This resource can be used in a club setting, with a Do, Reflect, Apply activity incorporated. Through this Vibrant Club activity youth get the chance to practice answering and asking questions using a sample static exhibit and role play cards. This activity provides a great way for volunteers to help youth prepare for the static judging experience!

★ [Presenting to an Exhibit Judge – Vibrant Club Series Resource](#)

Another resource to assist with preparing youth for the static exhibit judging experience is "The Exhibit Judging Experience" resource found on the Volunteer Resources public page under Goal-Centered Project Area Learning as well as in the Extension store. For this resource we interviewed an experienced exhibit judge for their insight into the judging process. As volunteers you can use this information to help youth prepare for the fair.

★ [Exhibit Judging Experience](#)

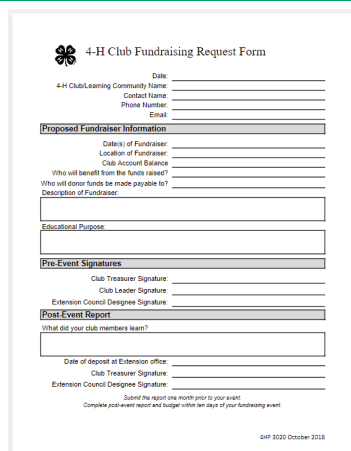

Exhibit Tip Sheets are another resource volunteers can utilize to help youth in their project area learning. The Exhibit Tip Sheets provide information for youth preparing for the exhibit judging experience, what to be prepared for and how to share learning gained through the exhibit with the judge.

# Club Fundraiser Approval

The form is titled "4-H Club Fundraising Request Form" and includes a 4-H logo. It contains several sections with lines for text entry: "Date", "4-H Club/Leaning Community Name", "Contact Name", "Phone Number", "Email", "Proposed Fundraiser Information" (with sub-sections for Dates of Fundraiser, Location of Fundraiser, Club Account Balance, Who will benefit from the funds raised?, Who will donor funds be made payable to?, and Description of Fundraiser), "Educational Purpose", "Pre-Event Signatures" (with lines for Club Treasurer Signature, Club Leader Signature, and Extension Council Designee Signature), "Post-Event Report" (with a line for What did your club members learn?), "Date of deposit at Extension office", "Club Treasurer Signature", and "Extension Council Designee Signature". At the bottom, it says "Submit the report one month prior to your event" and "Complete post-event report and budget within ten days of your fundraising event". The footer reads "4HP 3020 October 2018".

If your 4-H Club plans to complete a fundraiser this year, please be sure to submit the Iowa 4-H Fundraiser Request Form which can be found at the following link: [www.iastate.app.box.com/v/4HP3020](http://www.iastate.app.box.com/v/4HP3020). These forms are also located in your club's Google Drive Folder.

All fundraisers need to be approved by the Extension Office and Extension Council. Please submit all fundraising requests to Dustin. This is to comply with the Iowa 4-H Club Financial Policy. If you have any questions contact Dustin at 641-673-5841 or [dwinkel@iastate.edu](mailto:dwinkel@iastate.edu).

## 4-H Club Attendance Policy

Mahaska County has a 75% attendance policy in place for 4-H members of community and special-interest clubs. Members attending at least 75% of their clubs' meetings, activities, and/or pre-approved 4-H experiences will have eligibility to exhibit at the county fair. Clubs can set their own parameters within the 75% policy. We recommend if members are part of an **additional** special interest club, like Honor Council, that their attendance is combined for both to count toward the 75%.

## 4-H Deadline Policy

Every 4-H member is allowed 1 free pass in their 4-H career if they miss a county issued deadline. A second pass will be awarded at the cost of a \$100 late fee (this fee is in addition to any other associated fees). There will not be a third opportunity of forgiveness for a missed deadline. This exception does not apply to animal identification deadlines of February 1 (market beef), May 15 (all other animals), and any other state issued deadlines; these dates are set by Iowa 4-H and are non-negotiable. In cases of late fair entries, this exception will only be accepted if space allows for the entry. ***Mahaska County Extension Council Approved & Effective as of January 2023.***

## Reasonable Accommodation Practice

**REASONABLE ACCOMMODATION PRACTICES** As part of its duties under the Americans with Disabilities Amendments Act of 2008 ("ADAAA") and the Rehabilitation Act of 1973, Iowa State University Extension and Outreach will provide reasonable accommodations to its "policies, practices, or procedures" when the accommodations are necessary to provide equal access to programming to participants with a qualifying disability. It will also provide auxiliary aids and services when they are necessary to provide equal access. The process has the following five stages: (1) completion of the Reasonable Accommodation Request and Healthcare Provider Disability Documentation forms, (2) participants and parents are sent an agenda for the eligibility team meeting, (3) the eligibility meeting is conducted, (4) a determination letter is sent to participants, and (5) possible reassessment for future events. To access forms or learn more visit the [Iowa State University Diversity and Civil Rights website](http://www.iastate.edu/diversity).
