Animal Identification

You can register your animals at any time using 4hOnline. Only FFA members will use paper identification forms.

Animals (4-H & FFA) attending a weigh-in (Market Beef, Swine, Sheep, & Meat Goats) will be entered in 4hOnline by the 4-H Staff. All other animals must be entered by the 4-H/FFA member before the end of the day on May 15, 2019.

Iowa 4-H Mission

4-H empowers youth to reach their full potential through youth-adult partnerships and research-based experiences.

Iowa 4-H Vision

Preparing Iowa's youth to be successful, contributing members of society.

Market Beef that were identified at the December weigh-in must be verified in 4hOnline by **February 1, 2019**. ***If you find any detail that is wrong, DO NOT VERIFY.*** Call our office to have Ashtin or Amy fix the mistake (641-673-5841). This is especially important for those who identified state fair market beef. If you plan to exhibit your market beef in a specific breed at the state fair, please provide us with your registration information **BEFORE** February 1, 2019.

Clover Kids Corner

Registration for Clover Kids has closed for this year. Children may still join a group, pending we have enough volunteers for a 1:6 ratio. Anyone joining now will pay a \$10 late fee (\$35.00 enrollment total) and they will not receive a Clover Kids t-shirt.

T-shirts have been ordered and will be provided to members soon.

The January meeting theme is, "Cook-A-Doodle-Do!".

Reminder: We need parents to sign their children out from the meetings. If children will be going home with someone else, the leader or Ashtin must be notified in advance.

If you have any questions about Clover Kids, please contact Ashtin Harris at acharris@iastate.edu or 673-5841 ext. 11.

Leader Update

If your club is ready to close out your account and provide materials to the Extension office, please notify Amy so we can begin the process. Thank you to all of the leaders who were able to attend the Leader Meeting in December, we appreciate all that you do!

If your club has not yet submitted your club calendar/program, please do so before the end of January. Those documents must be scanned and uploaded to 4hOnline by Amy.

If you have not turned in your Club's Compliance form yet, please submit a signed copy to Amy before the end of January, those forms must be uploaded into 4hOnline by Amy as well.

New Volunteer Training

If you are a 4-H or Clover Kids Leader and need to complete the New Volunteer Training (NVT), please plan to attend the NVT in Mahaska County on **Saturday, January 19** in the morning. Details and registration can be found at <http://form.jotform.com/82405468448161>.

Carcass Beef Class Information

We received enough entries in Carcass Beef to be able to hold the class again this year! The Live Evaluation will be held on Monday, June 17 at 9 AM at the fairgrounds scale and the Locker Evaluation will be held on Wednesday, June 26 at 1 PM at Leighton Processed Meats. Attendance at both of these evaluations is very important, so please mark your calendars. We will work with ISU Extension and Outreach Beef Specialist, Patrick Wall, to evaluate the cattle after the final weigh-in, then to evaluate the carcasses in the locker. Families will be responsible for settling up with the Leighton Locker prior to leaving the locker evaluation, so please start making those arrangements now. If you have any questions about the Carcass Beef class, please contact one of the Beef Superintendents or Ashtin Harris (acharris@iastate.edu).

YQCA for Livestock Exhibitors

We are now using YQCA (Youth for the Quality Care of Animals) for all livestock exhibitors—4-H & FFA.

WE WILL NOT OFFER AN IN-PERSON FSQA/YQCA TRAINING.

Those who are certified for the FSQA Test are good until the current test certification expires. Once that date expires, exhibitors must complete YQCA online. YQCA is an online training that can be completed at home or at the Extension office (by appointment). Cost to take the online training is \$12.00 each year. Those who complete a financial aid application at the Extension office will automatically receive a coupon code to use.

YQCA must be completed by **JULY 1** for members to be eligible to exhibit livestock at the county and/or state fair. The YQCA online program includes three components for each topic (food safety, animal well-being, and character development): 1) knowledge building, 2) skills lab, 3) quiz for each content topic, and are designed specifically for each age group. The online program is very interactive, bright, colorful, relatable, and fun! More information can be found at <http://yqca.org/about/curriculum>.

A Help Sheet is available at the Extension office and at <https://www.extension.iastate.edu/mahaska/page/livestock-exhibiting-information>.

If you have moved, please be sure your Family Profile, as well as member/leader profile reflect the correct mailing address. This is where we will send you the monthly newsletter and other important correspondence throughout the year.

4-H Club Financial Policy Update

VERY IMPORTANT—PLEASE READ!

Mahaska County will begin transitioning 4-H Club Accounts after the Extension Council's February 2019 meeting. The Council will set county-specific guidelines for transitioning and processing club vouchers and deposits. As details are set, they will be shared with the public at <https://www.extension.iastate.edu/mahaska/page/club-support> (scroll down to UPDATED 4-H Club Financial Information).

The State Auditor of Iowa, referencing 12C.1 and 176A of the Code of Iowa, has determined that 4-H club funds are the responsibility of County Extension Councils. National 4-H has recommended practices about how funds raised by clubs and learning communities are managed. Managing the funds through the County Extension District will address both of these concerns. Councils will be in compliance with state code and clubs will be following sound fiduciary practices. Dr. John Lawrence, VP of ISU Extension and Outreach would like to have a large number of clubs transitioned by **June 30, 2019.**

If your club is ready for the Extension office to start taking over the funds, please contact Amy and we can start working on a plan.

These monthly workshops are free and open to anyone in 4th-12th grade, not just 4-H members. Workshops will be held in the Extension office from 5:00-6:00 p.m. on the dates listed below. Don't forget to RSVP by the Friday before the workshop. We must have at least 5 RSVPs to hold the workshop. RSVP by calling 641-673-5841 or emailing vermeerA@iastate.edu.

State 4-H Recognition

NOW is the time to apply for Iowa 4-H Recognition! 4-H'ers from across the state are applying for opportunities beyond the county-level. Those opportunities include **National 4-H Conference, National 4-H Congress, State 4-H Council, and State 4-H Project Awards**. Deadline to apply is **February 1, 2019**. *Participants will attend a formal interview at Iowa State University on Saturday, March 30*. To learn more, visit <https://www.extension.iastate.edu/4h/recognition-opportunities>.

Meet Lindsey!

I am Lindsey Donnelly, Mahaska County's State 4-H Council youth ambassador. To let you know a little about me, I live in Story County, and I participate in the horse, photography, food and nutrition, communications, and woodworking projects. Throughout the year, I am an active member of county council, emcee various events, and I enjoy hanging out at the extension office with the wonderful staff. :) Outside of the county, I am a member of State Council, I attended the 2018 National 4-H Congress, and I love showing my horses at the Iowa State Fair. I am a senior in high school this year, and I look forward to getting outside of my county and making the most of my last year as a 4-Her. As we begin 2019, I encourage everyone to start record keeping now. I know I probably sound like most of your parents, but it will make things so much easier, I promise. Record keeping is necessary to apply for county awards in the fall, and you will also need them to apply for state 4-H awards due in February. There is even a 4-H scholarship senior members can apply for. Don't worry, because there are plenty of opportunities for younger members to take advantage as well which will help for your scholarships later on! Keeping records and applying for awards will help teach important 21st century skills future employers will look for, including building a good resume and interviewing skills. Take advantage of every opportunity 4-H offers because they will impact your future; you get to choose if the impact is positive or negative. Have a good 2019, and hopefully I will get to meet some of you soon!

~ Lindsey Donnelly
