The bottle/bucket calf class is open to any Marshall County youth in Kindergarten-4th grades. Exhibitors do not need to be a 4-H member. The exhibitor may have NO other beef project. The signed parental consent form below is required. **This ID form, along with a photograph of the exhibitor and his/her calf, must be turned into the Marshall County Extension Office by May 15, 2023.**

Calves must have been calved between January 1 and May 15, 2023. They can be any sex or breed. No weigh-in or tagging is required.

All bottle/bucket calves must be in place **Thursday morning, July 13, 2023**. Exhibitor interviews (exhibitor's knowledge/care of animal) will be held at 1:30 PM on Thursday. The exhibitor must bring the calf with them to the interview. Showmanship judging (how the exhibitor handles the calf, the cleanliness and neatness of the calf, and the relationship between the exhibitor and the calf) will be held on Friday during the Beef Show.

Any animal shown in this class may **not** be shown in any other beef or dairy class during this year's fair.

An entry form is due at the Extension office by June 19, 2023. This way we know that you are diffidently bringing the animal to the fair. The exhibitor can take the calf home after the Beef Show (6PM) on July 12. Prizes will be awarded.
