Growing Together is a multi-state SNAP-Ed project to increase access to fruits and vegetables in food pantries. SNAP-Ed, the Master Gardener Program and food pantries are working together to build and maintain donation gardens in their communities.

This program is funded by USDA's Supplemental Nutrition Assistance Program and Iowa State University Extension and Outreach. USDA is an equal opportunity provider and employer. The Supplemental Nutrition Assistance Program, known in Iowa as Food Assistance, provides nutrition assistance to people with low income. It can help you buy nutritious foods for a better diet.
