You're one of the keys to an effective 4-H Club!

Here's what to do:

1. Read through the information **So You Are News Reporter of Your Group** that you received in November at your club's installation of officers.
2. Send us a copy of your newspaper report from this month's meeting **and this complete packet**. Mail to the **Mills County Extension and Outreach**.

****Again this year is that the quizzes are on the internet for easy access.**
