Age of Exhibitors

To be eligible for a state or interstate show including the Iowa State Fair, a 4-H member must have completed fifth grade prior to the event.

A 4-H member becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H member has dropped out of high school, the 4-H member is eligible to exhibit livestock only through the calendar year that his/her class graduated.

Maximum

Exhibitors may identify and nominate a maximum of six market beef animals for exhibition purposes at the Iowa State Fair.

Ownership & Registration Papers

All animals must be owned by and identified to the individual 4-H member. When registration papers are involved, the papers must be either in the 4-H member's name or show a logical family relationship. 4-H members need registration papers to be eligible to exhibit in breed divisions at the Iowa State Fair. Iowa Junior Beef Breeds Association (IJBBA) breed rules are utilized for 4-H breed eligibility and guidelines.

Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says, "no sale."

Identification

All market beef animals must be weighed and tagged with an official state 4-H ear tag by February 1.

For State Fair eligibility, market beef animals also must have retinal images or a hair DNA sample collected at an official county site by February 1. To be eligible to participate in any 4-H market steer breed division at the Iowa State Fair, the breed must be recorded on the identification form. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All market beef animals must be in the possession of the 4-H member, weighed at an official county site, and be properly identified in 4hOnline by February 1. Identification forms must be completed at the official county site.
