MARKET BROILER PROJECT & ORDER FORM

All 4th—12th gr. exhibitors interested in entering the Market Broiler class will need to place an order for broiler chicks through the Extension office by April 15 to exhibit in this class. Each order consists of 10 chicks (all male) and the cost is $26.10 per order of 10 chicks.

The chick pick up date is TBD at the Extension office, 315 Main St., Osage. Hoover’s is experiencing higher demand for birds at this time and can not give us a pick up date until birds are ordered. Bring a suitable container to transport your chicks home. Return the form below with payment by April 15th to place your order.

BEFORE THE CHICKS ARRIVE:
Remove all dirt and old litter from the chicken house. Sweep the floor, walls, and ceiling. Wash the house out thoroughly using a pressure nozzle, a lot of water and “elbow grease.” Repair the windows, doors, screens and ventilators to prevent drafts and keep out predators. Use a disinfectant to disinfect the building and all the equipment. Cover the dry floor with 4 inches of dry litter. Use shavings, sawdust, or other available clean, dry material as litter. Put a brooder guard around the heat source, feeders, and waterers. Place the feeders and waterers around the heat source so the heat is in the middle of the circle. Adjust the temperature to 95 degrees F. about 2 inches above the litter several hours before the chicks arrive. Fill feeders and waterers at the same time.

For more information on the poultry project or other 4-H projects go to 4-H website:
http://www.extension.iastate.edu/4h/projects/livestock/poultry.htm

Please detach and return to the Extension office by APRIL 15, 2022

MARKET BROILER ORDER FORM

Name(s) _________________________________________  Club/Chapter _____________________
Address __________________________________________ Leader/Advisor __________________
City ________________________________           State _______          Zip ____________
Phone # __________________   Cell # __________________  E-mail _________________________
☐ 10 Chicks = $26.10
☐ 20 Chicks = $52.20
