Iowa 4-H Swine Project

Regulations Pertaining to County, State, and Interstate Shows

Age of Exhibitors

1. To be eligible for a county, state, or interstate show (including Iowa State Fair and Ak-Sar-Ben), a 4-H'er must have completed 5th grade prior to the event.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is eligible to exhibit livestock only through the calendar year that his/her class graduated.

ID Limits

Exhibitors may identify a maximum of 40 head for the Iowa State Fair or those attending a county fair weigh-in. A maximum of 40 head may be identified for county fair only or those not attending a county weigh-in.

Ownership

All the animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must either be in the 4-H'er's name or show a logical family relationship. Animals changing ownership after being identified as a 4-H project are ineligible to be exhibited as 4-H animals for that 4-H year. All swine must be in the possession of the 4-H'er.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refuses a bid or says, "No Sale."

Iowa State Fair Identification

All swine must be tagged with the official state 4-H ear tag, ear notched, and a DNA sample collected. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All swine must be identified to be eligible for the Iowa State Fair, or by your county weigh-in for county fairs by May 15. All State Fair (and possibly county fair) animals must be entered into the 4hOnline enrollment system by May 15.
