Club _____ Grade _____

Lamb Tag # _____ Lamb Date of Birth _____ Sex of Lamb _____

Date Purchased or Selected _____ Breed _____

(Check One) _____ Purchased
_____ Born on Farm
_____ Other (describe) _____

1. What are your goals for this bottle lamb project?
2. Describe how you decided where and how to get your lamb.
3. Describe the facilities where you housed your lamb. Was the lamb housed with another animal? What type of bedding was used? How often was the bedding cleaned or changed?
4. What did you feed your lamb for the first 45 days?
5. What is colostrum? Why is it important?
6. What did you feed your lamb from 45-120 days?
7. Did your lamb have any health problems? If yes, describe what they were and what you did to treat your lamb.
