Animal rights protesting will only be allowed from 5-7 am in the large south arena, anytime the gates of the fairgrounds are open.

**EXTREME SHOWMANSHIP CONTEST**

**SIGN-UP PROCESS:** All seniors that wish to participate in the Extreme Showmanship class must be registered by **July 22**nd (Fair Clean-Up Night). You may sign up earlier at the Monroe County Extension office. Each member that enrolls will receive a packet of information to study to prepare for each animal show. This will help to build knowledge about the species, as a portion of the contest is answering questions.

**What is it:** The Extreme Showmanship contest is a chance for 12th grade 4-H and FFA members to learn and then demonstrate their skills and knowledge with multiple species of animals shown throughout the Monroe County Fair. The contest will take place over the entire fair, with a showmanship class scheduled within each species. Points will be accumulated from class to class, and the overall winner will be announced at the conclusion of the fair. Two important goals of this contest are to encourage communication between fellow 4-H and FFA members regarding their projects, as well as to encourage members to participate and watch animal shows that they otherwise would not.

**When is it:** The Extreme Showmanship contest will be held during the 4-H & FFA Monroe County Fair. Each animal show will have an individual contest for members to enter. The contest will be held following the Senior/Supreme Showmanship class for each species within the fair schedule. (Pending that there are enough animals to be used for all members.)

**Who Judges:** The judges for the Extreme Showmanship contest will be the current judge for that species, as it is held during each animal show.

**How is it done:** Each member enrolled in the Extreme Showmanship contest will pair up with a younger 4-H or FFA member and his/her animal for each species. The senior will have the opportunity to earn points based on the number of classes that he/she chooses to participate in. Points will accumulate based on the placings that each judge awards. (1st place- 1 point, 2nd place- 2 points, 3rd place- 3 points, etc.) If a member chooses to forego a species, then he/she will tie for last place and earn the maximum amount of
points. The more species that a member chooses to show in, the better odds he/she has of winning the contest.

**What ages show:** The Extreme Showmanship contest is open to all Monroe County 12th grade 4-H & FFA members, regardless of whether or not they own any animals.

**How do you participate:** To participate in the Extreme Showmanship contest, you must be registered by July 23rd. Each member will be given a name and animal ID for each species, as determined by random draw. Seniors may also pick up a packet of study materials to help prepare for each species show. Each participating senior is responsible for finding a younger 4-H member (not a family member) and their animal (One for each species) for the contest. This should be completed by livestock fair weigh-in Wednesday, July 24th. Turn in your partners name and animals ID to the Office. **Each member must be ready with his/her animal at the start of each class. The show will not wait for exhibitors or animals to arrive.**

**How is it judged:** The Extreme Showmanship contest is judged the same way as the typical showmanship class for that species. It would be beneficial for members to watch the previous showmanship classes before the contest to have an idea of what is expected when showing each type of animal.

**Questions:** The Extreme Showmanship contest may include basic questions about the species or the individual animal that is being shown. It is important that the members talk with the animal owners (younger 4-H & FFA members) to get this information before the contest starts.

**Additional Hints:** It is important to be dressed for the occasion. Attire may include the 4-H/FFA Fair shirt or long-sleeved shirt with 4-H/FFA emblem. Strong boots or hard-soled shoes are mandatory for large species classes. Each member must always display a positive attitude and treat the animals with care during the contest. It is also encouraged to greet each judge with a smile and a hand shake when you complete each class.

Relax, take a deep breath, and talk to your dog! (it’s ok in Rally)

Here are some guidelines

- Timing means nothing unless there is a tie for placement. Placements are determined by score.
- Perfect score is 100. Purple: 90-100, Blue: 80-89, Red: 70-79, White: 69 and lower.
- Be sure to let your dog completely sit or down before you take off heeling again or it could cost you points.
- Every tight leash will be a 1 point deduction.
- Remember you may re-try the exercise ONCE if you performed it incorrectly. If you get it right on the retry, the deduction is reduced from 10 pts for incorrect performance to 3 points for the retry, plus any errors on the retry. ALL parts of the exercise must be performed on the retry, from the beginning of the exercise, including at least a step or two of heeling to approach the station.
- Running on the course when no “fast pace” is called for will be a 3 to 10 pt. Deduction for handler error, or incorrect performance of an exercise, depending on the circumstances.
- You may not touch the dog for any reason.
- Physically correcting the dog will be cause for an NQ and excusal from the ring.
- Should you become “lost” on the course, take time to get your bearings before continuing on the course. Pay attention to the numbers of the stations to help avoid losing track. Once you have started an exercise out of order, you cannot go back.
- Encourage your dog and have fun!

HERDSMANSHP

“What it is and why it is important”

A herdsman is someone who owns or tends to a herd. Herdsmanship is the way one tends to the animal or herd. If you are planning on exhibiting livestock at the county fair your herdsmanship skills become very important! While at the county fair your animal(s) will be exposed to all kinds of different stresses they might not experience at home, without all the comforts of home. The crowds, noise, other livestock, heat, cramped stalls or pens can sometimes make it hard for them to adjust. It is your responsibility to see to it that your animal(s) and barn area are maintained to provide a clean, comfortable and presentable condition for the well being of your animal(s) and the rest of the public.

In the past years an award is given to the 4-H club that demonstrates the best Herdsmanship. Each club is judged daily, between 6:00 p.m. and 9:00 p.m., by volunteers who go through the barns and score on the basis of aisle cleanliness, animal cleanliness, food and water, bedding, pen display, 4-H name sign (stall card) and attendants’ manners. This year will be different. You never know who is watching and recording. So, make sure when someone isn’t available to be on duty as an attendant in the barn area, it is every exhibitor’s duty to see that the care and keep of their animal(s) is tended to every day, several times a day, to maintain good animal health. If your schedule does not permit you to be there, please make arrangements with a friend or fellow club member to make sure your stall/pen, and animal(s) are clean, fed, watered, and comfortable.

Make it your goal this year and every year to be an outstanding herdsman at home, the county or state fair, or wherever you may choose to exhibit your livestock projects.
