YQCA TRAINING

Youth for the Quality Care of Animals or YQCA Training replaces FSQA Training and is required for all (FFA and 4-H members) who wish to exhibit livestock at the Montgomery County Fair and at the Iowa State Fair.

There will be two options for training this year. Face-to-Face training (free) and an Online Training ($12 per year). Families should have received an email explaining their options for the new program. If you did not receive an email and you plan to bring beef, swine, sheep, goats, rabbits or poultry exhibits to the 2019 Montgomery County Fair or the Iowa State Fair, please contact Celine ASAP.

A face-to-face training will be held on March 6th at 6:00 PM at the Gold Fair Building in Red Oak. If you plan to attend the Face-to-Face training, you MUST contact Celine at the Extension Office to receive your coupon code. Youth will use this code to pre-register for the training titled Montgomery County—Gold Fair Building at https://yqca.learngrow.io/ To access the registration, please log in with your 4hOnline credentials.

The deadline to register for the Face-to-Face training is March 4th.

SWINE WEIGH-INS

Swine weigh-in will be Saturday, March 30th at the Montgomery County Fairgrounds from 9am—10:30am. Don’t forget that exhibitors will be required to show one derby pig and must weigh-in at least one on March 30th. Only pigs weighed-in will be eligible for the Derby Show.

Maximum weight for pigs on Saturday, March 24th will be 70lbs and each exhibitors may weigh-in or identify up to 12 pigs. We encourage you to weigh them all in, but the hogs you select to exhibit at the county fair must be verified in 4hOnline by May 15th.

Please bring your Premise ID Number to weigh-ins. If you have any questions, please contact the extension office.

**If you plan to nominate swine for the Iowa State Fair you are required to contact the Extension Office by March 27th!**

The cost is $5 per participant and all project materials have been donated. Please complete the registration form on the last page of the Green Gazette to sign up!

JUNK-IN-A-BUCKET

This is an adventure in creativity and skill development for our 4-H youth. Sign up for Junk-in-a-Bucket, and you will receive a bucket of random junk, mostly weld-able, for you to create a piece of art with. Creations will be voted on by People’s Choice. The creations will also be put up for a silent auction as a fundraiser for the Montgomery County Youth Council to fund scholarships and other leadership activities. Creations may also be entered as static exhibits at the Montgomery County Fair!

Your bucket will contain a lot of unique parts and pieces. You can paint, fasten, glue and/or weld to construct your piece. The only rules are: You cannot add any pieces (exception of bolts for fastening and adding movement to a piece) and you must use at least 75% of the items in the bucket.

To register, please contact Celine at the Extension Office before April 15th.
