Farewell

Today is my last day here at the Muscatine County Extension Office. I have enjoyed every minute of working with Muscatine 4-H and meeting all of you and getting to experience how much we have grown together. Thank you all for making my job enjoyable and easy over the last three years. Please keep in touch and I am sure you will see me around the Fair or other events. I hope everyone stays safe and healthy through this time and starts on all of those 4-H Fair Projects during this time ☺.

If you have any questions or concerns, please feel free to email Krista Regennitter at kristar@iastate.edu or Ann Green at anng@iastate.edu.

Master Gardener

Who are Master Gardeners?
Master Gardeners come from a variety of backgrounds. They are passionate about serving their communities and sharing gardening best practices. Master Gardeners are individuals who have taken the Master Gardener training and share their time and expertise as volunteers in community gardens, city beautification projects, and farmers markets to name a few. It is the acquisition of knowledge, the skill in gardening, and giving back to the community that distinguishes a Master Gardener from other gardeners.
