

4-H GROWS HERE

In A Bag!

New 2020 Day Camp in a Bag!

Since we are unable to hold in-person camps during the summer of 2020, we are offering Day Camp In A Bag! We have added 4 new bags that will have a different theme. Each bag will include a book, 5+ activities with instructions and some supplies, list of resources available to enhance activities and much, much more. Weekly activities will include the following topic areas: Literature Day, STEM, Healthy Living, Civic Engagement/Community Involvement and Visual Arts!

Each week we will offer bags for two different age groups: 1st-3rd and 4th-6th grade. Each Day Camp In A Bag has a \$10 fee with registration which is due to the Extension Office the Thursday before the week of the camp. You can mail in the registration form and fee or drop them off in our mail box. Our office remains closed to the public so when you arrive for pickup, we ask that you call and we will bring them out to you.

Example: For the week of July 20th, registration and fee are due by July 16th and bags will be available for pickup on Friday, July 17th.

CSI! Two New Mysteries

Week of July 20, 2020

We have two new mysteries that we need your help in solving by completing different activities throughout the week to come to a conclusion. For the 1st to 3rd grade youth we need you to help us figure out what happened to the cookie. 4th to 6th grade youth, we need your help in solving what happened to the rock star!

Forces of Nature

Week of July 27, 2020

Campers will learn how to weather is forecasted, how powerful nature can be and much more by completing different activities. What does a tornado and water funnel have in common? That is just one answer youth will discover during this weeks themed bag.

Pop Bottle Science

Week of August 3, 2020

Using pop bottle campers will complete easy, hands-on experiments that probe different worlds such as chemistry, biology, weather and more!

Dinosaurs & Creepy Crawlers, Oh My!

Week of August 10, 2020

Youth will learn about different dinosaurs that once walked where we live while learning about different bugs and other creepy crawlers that live around us. All of this is completed through easy daily activities.

Location: Muscatine County Extension Office located at 1601 Plaza Place, Muscatine.

To Register: Call 563-263-5701, visit www.extension.iastate.edu/Muscatine or email Dana@iastate.edu. Deadline the Tuesday before each camp.

Iowa State University Extension and Outreach programs are available to all without regard to race, color, national origin, religion, sex, age, or disability.
