## June 2020 Day Camp in a Bag!

Since we are unable to hold in-person camps during June 2020, we are offering Day Camp In A Bag! Each week will be a different theme with a book, 5+ activities with instructions and some supplies, list of resources available to enhance activities and much, much more. Weekly activities will include the following topic areas: Literature Day, STEM, Healthy Living, Civic Engagement/Community Involvement and Visual Arts!

Each week we will offer bags for two different age groups: 1st-3rd and 4th-6th grade. Each Day Camp In A Bag has a \$10 fee with registration which is due to the Extension Office the TUESDAY before the week of the camp. You can mail in the registration form and fee or drop them off in our mail box. Our office remains closed to the public.

Camp In A Bag will be available for pickup from the Muscatine County Extension Office. Bags will be located inside the entryway on the Friday before the start. Example: For the week of June 1st, registration and fee are due by May 26th and bags will be available for pickup on Friday,

---

### Learn, Grow, Eat & Go!

**Week of June 1, 2020**

Campers will learn basics about gardening with their own packet of seeds, grow cups, healthy eating, how plants grow, how we eat all parts of a plant and much more!

### Nature Investigations

**Week of June 8, 2020**

Campers will learn how to use their senses to investigate insects, plants and animals. Indoor and outdoor activities will be included.

### Space Explorations

**Week of June 15, 2020**

Campers will learn about the big wide world that surrounds our planet. They will learn about different objects in space, how to star gaze, how to make different rockets and how space exploration has changed.

### Iowa Animals

**Week of June 22, 2020**

Youth will learn about the different species of mammals, birds, fish, insects and more that we share our living space with in Iowa.

### Science Investigations

**Week of June 29, 2020**

You will explore the different states of matter while performing chemistry experiments. Did you know that atoms can change? We will learn about that and much more!
