Iowa 4-H Market Beef Project Regulations Pertaining to County, State, and Interstate Shows

Age of Exhibitors

1. To be eligible for a state or interstate show including Iowa State Fair and Ak-Sar-Ben, a 4-H'er must have completed fifth grade prior to the event.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is eligible to exhibit livestock only through the calendar year that his/her class graduated.

Maximum

Exhibitors may validate a maximum of six market beef animals for exhibit purposes at the Iowa State Fair and/or Ak-Sar-Ben.

Ownership

All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'ers name or show a logical family relationship. 4-H'ers need registration papers to be eligible to exhibit in the following 4-H Market Steer Breed divisions of the Iowa State Fair: Angus, Belgian Blue, Brangus, Charolais, Chianina, Limousin, Maine-Anjou, Red Angus, Shorthorn, and South Devon. Exhibitors of Simmental market steers must have a performance pedigree. Gelbvieh must have an official breeder affidavit. Herefords must have a steer certificate.

Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says, "No Sale."

Identification

All market beef animals must be weighed and tagged with the official state 4-H ear tag by February 1. For State Fair eligibility market beef animals also must have a hair DNA sample taken or retinal images collected at an approved verification site by February 1. To be eligible to participate in any 4-H market steer breed division at the Iowa State Fair, the breed must be recorded on the Verification form. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All market beef animals must be in the possession of the 4-H'er and weighed at state established verification sites by February 1. Verification forms must be completed at the verification site.
