PROJECTS

Complete this section for project areas that you participated in this year. Briefly summarize what you did and what you learned.

PROJECT versus EXHIBIT?

A **PROJECT** is a yearlong interest in a particular area; for example, beef, clothing or woodworking. A project includes a variety of learning experiences or events related to the topic, which may take place at home, school, in club activities or on one's own. It often includes work in the particular area of leadership, citizenship, communication and decision-making.

An **EXHIBIT** is one part of the project area. An exhibit is something that the 4-H member chooses to publicly share or showcase, such as at fair. All exhibits come from a project area, but all projects do not have to be exhibited.
