## Iowa 4-H Enrollment Fee Increase

Iowa 4-H is strong and impactful across the state because our staff care about the youth we serve. It has been 13 years since we have increased membership fees. As with many things in our world, costs continue to rise. As a result, Iowa 4-H will be raising enrollment fees from \$30 to \$40 dollars effective September 1, 2023. We want to ensure we continue to provide the resources and level of service our youth and communities deserve. Thank you for all you do to make Iowa 4-H a strong impactful part of our local communities. We are including our current [fee statement](#) usage information document for your reference as well as a comparison to fees of other youth organizations. I encourage you to visit this document to help answer any questions that may come up.
