Iowa State Fair August 13th —23rd

A Letter from Lexy

The 2020 Page County Fair theme is STRIVE FOR GOLD!
Togethers we will move FORWARD!

ISU Extension & Outreach is here for you. Let me start by saying we hope everyone is doing well and adjusting to all the changes happening. I want everyone to know, we will have a fair. That being said, it might look a lot different from past years due to the COVID-19 situation that is ever changing. We are working on how to have our events and follow safety precautions to keep everyone safe.

We are going to have to work together and do what we can to provide the best learning opportunities for our 4-Her’s. Some of these events may be virtual and some may still be face to face with judges. I am working relentlessly on a plan of how to best represent our 4-Her’s and to have a safe environment for all.
Reminder!

***May 15th Deadline***

You **MUST** register by this deadline in order to participate in fair!!

Frequently Asked Fair Questions!

**Is the mandatory attendance requirement waived for this year?**

Due To COVID-19 we are waiving the attendance rule for 4-Her’s this year.

**Will there be Pullorum testing for poultry?**

We will not have Pullorum testing for poultry. There is still a state wide shortage so Pullorum testing will not be done at the fair this year.

**Are we going to have the Page County Fair this year??**

At this point no final decisions have been made concerning the fair. The Page County Fair Board and the Page County Extension are looking at different options for our fair, such as limiting the number exhibiting at a time and virtual options for the fair. IF we cannot have a face-to-face fair, there will still be a chance to show your animals and static exhibits. It MIGHT just look a little different this year. But no decisions have been made so far. We are hoping for the best and preparing for the worst. Just know that we all have the best interest of our exhibitors in mind!

Premise ID is required for all swine.

This is mainly due to increasing food safety precautions, imposed by both US and international markets.

How Can You Obtain a Premise ID Number?
The Premise ID must be for the farm where the hogs are being cared for— if that is not where the 4-H'er lives. The owner of the property where the hogs are being cared must submit the form. The 4-H’ers will then reference the number of the submitted form.

The form is located online here:

It is important that youth obtain a Premise ID Number immediately to be eligible to exhibit and sell hogs at County Fairs.

It may take several weeks to receive the number, so it is important to complete the application right away.

Questions/Premise ID application statues:
IDALS, 1-888-778-7675.

Important Notice!

Packers are increasingly reluctant to purchase fair pigs. In order to keep this important avenue open to our youth livestock exhibitors and county fairs, compliance with feed and drug additive instructions is imperative.

Pay close attention to the instructions and withdrawal periods for all feed and drugs given to animals.

Cross contamination is possible with many drugs and feed additives.

Every animal brought to the fair can affect others. One occurrence can prevent ALL exhibitors from being able to sell animals to a locker/packer/processor.

Swine Exhibitors:
Please fill out your 4-H swine ID form with your ear notches, and tag information and sign the form. Sign the form for Tyson and the Page County Extension /Fair Board.

Mail your forms and paperwork to:
ISU Extension & Outreach Page County
311 E. Washington
Clarinda, IA 51632

We are not allowing the feeding of Ractopamine/Paylean to any swine exhibited at the Page County Fair in 2020. We are banning Ractopamine/Paylean on the Page County Fair Grounds. This feed is extremely transferable and extra bio-security measures are warranted to prevent cross contamination.

YOUR ACTIONS CAN NEGATIVELY AFFECT OTHERS

1. We will schedule fun activities when restrictions are lifted and it is deemed advisable.
2. Work on Ag information for the fair.
3. Get your Silent Auction items.

WHAT IS THE IOWA 4-H’ERS FOR 4-H CAMPAIGN?

This annual campaign is conducted by youth members of the State 4-H Council Finance Committee. 4-H Clubs across the state are encouraged to donate $3.00 per 4-H member and the funds raised benefit financial aid, State 4-H Conference, and other projects as voted upon by the State 4-H Council. The campaign runs through June 1, 2020.

Your Campaign Contribution Supports: State 4-H Youth Conference, Financial Aid for 4-H Program Fees and Event Registrations, and Support for State Youth Council

WHY SHOULD YOUR CLUB PARTICIPATE?

Funds raised benefit ALL 4-H youth across Iowa. Any youth can apply to receive the dollars raised for financial aid for 4-H Program fees and event registrations.
