Attention All Intermediates and Seniors

Many of you want to know how to apply for County Awards after completing your record books. Just fill out this sheet and attach it to the front of your record book. Then give it to your 4-H leader on or before September 15, 2015. Your leader will bring it to the Extension Office. You must have been in the project for two years in order to apply for the award.

Page County
4-H Award Application

Name _____________________________________________________ Grade____________________

Club __________________________ Intermediate ____ Senior ____ Years in 4-H _____

Directions:
1. 4-Hers or Leaders place a check next to the awards for which the 4-Her is applying.
2. Circle any awards that you have already received. You may receive an award only once.
